ITEM 6 PARTITIONMENT REQUEST BY GERTRUDE SILLITTI

Mrs. Sillitti asked the Committee if Superintendent Brockie or the Chairman of the Tribal Council could sign for one person who owns about 23 acres out of a 320 tract that her dad owned. She owns 160 acres. The Committee said if the rest of the land-owners are in agreement with the partitioning, the Superintendent could sign. Mrs. Sillitti requested to have somebody from BIA Range Management check to see if there was cattle on another tract of land she owned. If there were cattle, they would be trespassing, because it was not leased. Clyde Baker, present at the meeting was requested to do the checking.

ITEM 7 MARY EDITH GOOD BEAR

Since the Committee did not receive any information requested from the Bureau concerning the matter of Mary Edith Good Bear's request for compensation, the matter was referred the next Committee meeting.

ITEM 8 LAND SALE

Motion No. 3 - Committee member Stone moved, seconded by Acting Secretary Mason for approval of land sale for Clyde Baker to the Tribe for Allotment 632A in the amount of \$2,103.49. Three (3) in favor, motion carried. A resolution will be presented to the full Council for their approval.

ITEM 9 BEAVER CREEK BAY

Committee member Stone reported that non-Indians were trespassing in Beaver Creek Bay in Twin Buttes. Clyde Baker of BIA Range Management office reported that he went down there and saw about 5-6 recreational vehicles or motorhomes, and there was a sign nearby that said "unauthorized vehicles do not enter". He said Lonnie Spotted Bear, Tribal Ranger for the area, was busy with the fencing crew. He said if he was given authority, he would go down there again and tell them to leave. Acting Secretary said the Supt. Brockie should be notified of this, and to have Special Officer White Buffalo give Mr. Baker authority to make them leave.
