(KH)Two standard approaches successful in Economics play a huge part starts on March 19-20, 2013. We have to have a contract from the Tribal Business Council assurance they will not deal with Tribal Court system. Judge Lugar brought him in as a Judge. There questions were somewhat similar guy drinking in a bar sped out with these guys chasing him to severely injure and he had to protect himself. They brought people from fish and wild life Fort Berthold was on that list evidently he must not have said anything so they took Fort Berthold off. Congress pumped in money and can't beef up law enforcement with beefing up the Court system. Should have been us reservation less than half of Standing Rock. Judge Johnson will do a report...

The Court system should always be consistent...people will always get a fair hearing.....TBC has to get away from Personnel Management and get into governing. There are proven models that we can follow. "Rebuilding Nations consistent strong judicial system." Independent Judicial systems get away from personalities and stick to governing." Wasn't Donna Morgan on that committee and enroll if you have 1/8 blood quantum. Number of Representation – Referendum on removable Bring back recommendations to Judicial Committee Meeting.

**SONYA ABE PERMANENT CUSTODY:**

Wants clarification bring into the court system asking why they keep putting her back in the custody case. Legally I never saw it on the calendar. She said she was taken to court three times and there is no such thing as ...permanent custody, it's a Legal fallacy. Judge Johnson clarified that as a father he has the right to file for custody and is entitled to partition the Court three times. Completely difference shouldn't have to break the Law

If the Court system proves we can't stop the father from petition the court he's entitled to that. But don't know how soon he can petition the legal fallacy within a reasonable time.

**EARLY DETENTION ORDER:**

Notify the person that person should be taken to the hospital or the Psych. Word. Not to Jail. Maybe I should just put something in the paper. That procedure has been abused. If I sign that person should be in Psych ward or in the hospital. Under the CODE if the tribal judge restricted license for a DUI. They gave the licensing review board pursuant to Tribal Driving Statute.

TEMPORARY DRIVING PERMITS: Resolution No. 89-233-TL No amendments to that.

Only way is if tribal judge restricted the license because of DUI.

Committee member will review all temporary driving permits but people just got them.
