Dear Members:

At the request of the Material Resource Committee we are submitting bills incurred for advertising of the Tribal CP600W Rotary Well Drill Rig. To date, we have accumulated bills (overdue) totaling \$509.00, (see attached,) and have no source from which to pay them.

If the Tribal Business Council wishes this department to continue advertising, we suggest these bills be paid and an account set up for further advertising and postage costs. An additional \$500 should take care of this.

Your consideration will be appreciated.

Sincerely,

Arnie Guimont, Administrator
