

**RESOLUTION OF THE GOVERNING BODY OF  
THE THREE AFFILIATED TRIBES OF THE  
FORT BERTHOLD INDIAN RESERVATION**

- WHEREAS, This Nation having accepted the Indian Reorganization Act of June 18, 1934, and the authority under said Act; and
- WHEREAS, The Constitution of the Three Affiliated Tribes generally authorizes and empowers the Tribal Business Council to engage in activities on behalf of and in the interest of the welfare and benefit of the Tribes and of the enrolled members thereof; and
- WHEREAS, The Three Affiliated Tribes have adopted Resolution 84-198-S, establishing the provisions for the permitting of grazing privileges on tribal lands; and
- WHEREAS, The Tribal Business Council wishes to amend. Part 2, Subsection L and Subsection N, of that Resolution,

NOW, THEREFORE, BE IT RESOLVED, that Resolution 84-198-S, Part 2, Subsection L and Subsection N shall be amended as follows;

Part 2, Subsection L: All persons who graze cattle on the Fort Berthold Reservation will be required to participate in the Federal and State Brucellosis Eradication Program and any other livestock disease prevention program. Any cattle entering the Reservation must have valid health certificates (See Resolution 84-165-S). Failure to comply with these requirements shall be cause for cancellation of the grazing permit. Any individual moving livestock on or off the Fort Berthold Reservation must notify the Bureau of Indian Affairs prior to moving the livestock. BIA Range Aides, Tribal Rangers, or others designated officials must verify health certifications, brands and head counts prior to the livestock entering or leaving Range Units within the Reservation. Livestock may be moved during the daylight hours only.

Part 2 Subsection N: Permittees shall pay grazing fees by certified check, cash, money order or bank draft. All grazing fees are due December 1 of each year and will be considered delinquent if not paid prior to that date. No permits will be issued to anyone when they are in a delinquent status on the payment of Bill of Collection relative to grazing permits. A performance bond satisfactory to the Superintendent may be required in an amount that will reasonably assure performance of the contractual obligations. Delinquent fees will be subject to a rate prescribed by law. Should an operator bring in payment after cancellation of a permit, the permit can be reissued to the operator, for the balance of the permit, by making payment in full plus an additional penalty charge of 10% of the annual rental. An operator will be required to reapply for the permit at the time payment is made and can only be reissued the permit up until the time of the bid letting.
