ENROLLMENT APPEAL (CON'T):

Edith stated she never got anything from the Council in a form of an approved resolution. She stated according to Aberdeen, we can flag the enrollment for tribal purposes but the child would not be eligible for benefits although he would be a member of the Tribe.

Chairman Wilkinson stated the resolution was presented and approved contingent upon the BIA certifying. At the time, Councilman Gillette voted no on the issue as the child did not meet the blood quantum.

Chairman Wilkinson questioned Ms. McNamara stating if the tribe submits a resolution, her son would be recognized as an enrolled member but not entitled to any benefits, is that correct? Response was yes.

Councilman Gillette stated to his knowledge, this was never done pertaining to enrolling someone just to be enrolled. As far as he was concerned, it could be looked into and changed.

Chairman Wilkinson stated to Ms. Young Bear, at it stands, your child wouldn't meet the Bureau criteria for enrollment. The child lacks 1/4 blood degree.

Mrs. McNamara stated while Paige Baker was still Acting Superintendent, we did explain to Marcy what she could do to get more blood for her child.

Chairman Wilkinson further told Ms. Young Bear with the enrollment ordinance, your child will not be enrolled with the Three Affiliated Tribes cause of the lack of Blood Degree.

Marcy was then questioned if she wished to discuss this matter in privacy. Response was yes. It was stated we will meet with you after this meeting but keep in mind the conditions if the tribe does enroll your child.

Councilman Mossett made the motion to approve the dual enrollment, seconded by Secretary Rabbithead.

Vote: 6 for, 0 opposed. Motion Carried.

Mrs. McNamara had another question stating there was another child enrolled by the Tribe. The grandmother had brought the application. We had informed them the child was not eligible unless they could get further blood degree. The grandmother brought a blood degree out here from a Nation in upland New York but that Tribe has been terminated and the Federal Government does not recognize terminated blood but I've never seen a resolution on this.
