Members of the Myron Johnson/Nathan Goodiron American Legion Post 271 from Mandaree wowed parade viewers during the National Legion Convention Parade downtown in Charlotte, North Carolina. The Post was led by Commander Millard Hale Jr., all of whom were wearing an eagle feather bonnet. Cliff Martin and Shylo Baker in their traditional regalia carried the banner of Mandaree Post 271. Commander Millard Hale Jr., carried the eagle staff, Bruce Crows Heart carried the American Flag, Bruce Freeman carried the Post flag, Fred Poitra carried the POW MIA Flag, Lester Crows Heart carried the North Dakota flag and Duane Young Bird carried the MHA Nation flag.

Post 271 honors Army Sergeant Myron B. Johnson, who was killed in action, March 28, 1971 in Chu Lai, Quang Tin Province, South Vietnam. He was 23 years old. Last year Corporal Nathan Good Iron's name was added to the roll of departed veterans. Corporal Goodiron, Mandaree lost his life November 23, 2006 in Afghanistan. He was 25 years old and in the National Guard.

Following the parade Commander Hale was approached by Don Weible, North Dakota Department Commander of the American Legion and asked to lead the North Dakota parade at the 2015 convention in Baltimore, Maryland. Weible is a 43 year member of the Wilton Post 163 and was confirmed as Department Commander at the 2014 Department Convention in Minot on June 29, 2014.

## West Segment Tribal Representative Update

Hello Community members and relatives. I would like to commend the American Legion Myron B. Johnson Nathan J. Goodiron Post 271 of Mandaree, who recently led the parade in Charlotte, North Carolina.

Their photo is on the front page of this newspaper. The United Tribes

Pow wow is over and fall is coming upon us here and you can tell with the weather change its beginning to get cold out in the evenings.

Also inside this issue you will see pictures taken from our back to school bash where we gave out school supplies to the students, and we also gave out door prizes and provided a good meal for everyone to enjoy. We had a great turn out with parents and students who came to enjoy a great meal and to get school supplies for their kids. Photos are on page four and five inside this newspaper.

On our first update I will inform you on is our Mandaree Arbor. Yes as far as the construction we are on schedule to lay down the footings and the cement work. The only hold up was we had to get BIA approval and that happened already and we have authorization to go ahead and start the construction. So they should be starting very soon here. The blueprints are really nice so this will be a really nice arbor, we changed the wood to metal so it will be a lot better. I told them we wanted to start now so we aren't doing any construction work when the time comes for our pow wow. I want it complete and looking nice before our pow wow.

On another note, the grand opening for the Black Eagle Estates we had to change that, but we are looking at this coming Monday which is September 22nd. I know we said October 1st but we moved the date up because of certain situations, some of the tenants that were qualified need to move in sooner than October because of medical reasons. So we want to move them in right away. So we schedule our grand opening for this Monday, Sept.

22nd we plan on getting a house warming gift for all the tenants moving in. I had some emergency situations and needs from the people here so I am trying to get them into their homes right away.

Now that we have approval from the BIA the trailer park for the electrical so the Mckenzie Electric can no put power in. The trailer park should be ready I would say mid October, because the trailers will be moving in now. So a little more patience on that and it will be up and running very soon.

As far as our Tribal council, there again I hope and pray that we will have our October meeting because all the elections situations going on. I just hope we have our October tribal council meeting because we have a lot of business to take care of and to continue to take care of the needs of our people. I really need to have this October meeting for the purpose of not having our people wait. I congratulated Cory Spotted Bear and I will be calling Mervin to congratulate him as well for their landslides in their districts. I would like to see more homes in each of our districts but I am only going to concentrate on Mandaree because this is the community that I represent. I have two years left so I have a lot of projects to get down and get more development done here in Mandaree.

Halloween is coming up real soon we will be preparing an event there and we need to get our Christmas list in so we can get toys for the children and we need to start preparing for the upcoming holidays so we need to prepare for that.

On another note, I am glad to see that route 14 which will be soon paved, right now the dust control is really bad. I had to call them because I got phone calls from residents that live on route 14 that the dust is really bad, so I gave them a phone call an they are getting the dust under control while the paving company is paving parts of route 14. So hopefully this will be taken care of very soon.

In closing, I want to welcome the students back to school, they are having a pow wow and I was happy to help them with some prize monies.

Just for your information, Cobell checks are mailed out so everyone should be getting their Cobell checks in your mail.

Thank you for being a good reader.

# Hidatsa Mandaree Elders

Greetings Elders,

It seems fall is upon us and this is the time to put all our summer things away. To get ready for our Fall season.

Just a reminder the activities list is put in this newspaper whenever

possible and it is up to each elder to contact the office if you are interested in participating in an activity. We occasionally will have an activity take place before the newspaper is out so if you would like to be on the calling list for all activities, please leave your number at the office and we will call you when an activity is planned. Activities are held to promote the continued physical, mental and social well-being of every elder.

Our Fall season is here and with it comes the cold nights and days, please call the office if you need plastic on your windows. We would like to start soon so that it's not snowing before the windows are completed.

Keep in mind our weather changes a lot so if you are traveling to town or going out of town always pack a coat or sweater to keep yourself warm.

If you are driving, please drive with caution and always wear your seat belts when driving. There is so much traffic on the roads now and we want our elders to be safe.

Please call the office and update your phone number, mailing address and physical address so we have updated information on each of our elders here in our community.

For your information, for this month's newspaper we were unable to get a copy of the menu for the month of October. We are sorry for the inconvenience. We hope to have a calendar soon.

Thank you and remember to call our office to update your information.

If you have any ideas on where you would like to go, please let us know and we can organize an activity.

Elders Don't forget to come in on Mondays for Chair Exercise's from 10:30 to 11:00

Shelby Chapin will be here at the Mandaree Meal site. The Hidatsa Elders Organization will also be sponsoring incentives to those who participate in each of the sessions. For more information you can call Bernadine at 759-3099.

If you have any questions please feel free to contact us at The Mandaree Hidatsa Elders Program: 759-3099 our Fax number is: 759-3093

Bernadine Fredericks: Cell: 701-421-3249 Email: [bfedericks@mhanation.com](mailto:bfedericks@mhanation.com)

Ted White (Home Delivery Services) Cell: 701-421-3248 Email: [twhite@mhanation.com](mailto:twhite@mhanation.com)

## Happy Birthday To Our Elders For The Month of September!

**Arlene Charging**

**Lyda Bearstail**

**Dinah Black Hawk**

**We Wish you many many more!**

# West Segment Hosts Back To School Bash

It's a great way to encourage students in school and it also helps the parents out with the cost of school supplies.

The Mandaree West Segment sponsored the back to school bash for the students of the Mandaree school.

Teachers, parents and students were all on hand during the back to school bash.

West Segment employees got together and sorted out all the school supplies by grades and sorted them out onto tables. The Water Chief Hall was full of students, parents and teachers.

Pictured on the top are some of the students lined up to get their school supplies. To your left is pictured some crayons, pens, pencils. Each table was sorted out into grades so the students got their school supplies that they needed in their grades.

Each table was filled with school supplies, from calculators to tablets to notebooks needed for each class, high lighters, compasses, pens, and pencils to fit the needs of our high school students.

In these photos you can see how full the tables were with school supplies.

# West Segment Hosts Back To School Bash

To make this more interesting and fun door prizes were awarded to ticket winners of those who came and signed in. Everyone was given a ticket to win a door prize. The door prizes were really nice, they gave away a tool kit, back packs already full of supplies, speakers, blue ray dvd players, roaster ovens, reversible pillow top, dvd players, head phones, a laptop and a computer with everything. There were much more door prizes that aren't listed here.

Everyone who came enjoyed a great meal, and when the door prizes were all given out than Renae Phelan got her purse out and brought out four fifty dollar bills to give away to the lucky winners whose numbers were called.

It was a great evening to visit with teachers and community members and to share a great meal with everyone.

# Submitted by Fort Berthold District Court

## SECTION 1000.13 CURFEW

### SECTION I

**VIOLATIONS:** A person under the age of eighteen (18) years ("child") is guilty of a curfew violation, if he/she is away from his/her home and is not accompanied by a parent, guardian or other adult having custody of or supervision over him/her, and is either:

1. in a public place; or
2. in a private place other than the place where he/she intends to spend the night with permission of the head of household therein and with a note from a parent, guardian or other adult having custody of or supervision over him/her; or
3. in a vehicle driving about after the hour of 11:00 pm local time and before the hour of 6:00am local time, or other times as set by the government of the Three Affiliated Tribes.

**EXCEPTIONS:** This section shall not be applicable to those instances wherein a child:

1. is sixteen (16) years of age or older and has either graduated from high school or completed the high school equivalency requirements, is married, or is legally emancipated; or
2. is in attendance at or is traveling directly home from an organized school, church, tribal, community, or recreational functions; for purposes of this section, "organized recreational functions" means only formally organized and adult supervised activities, such as formal organized sports competitions and movie theatre showings, and does not include informal recreational activities or
3. is traveling directly home from a place where he/she is employed.

For purposes of this section, a child is not "traveling directly home" from any activity, if the child is not actually in transit between that place and home or if the child is at a place further from home than the child would be if he/she were making a direct route at reasonable progress toward home given the amount of time since the child left the activity or the time at which the activity ceased.

**PROCEDURES:** The following procedures shall apply when law enforcement personnel apprehend a child for violation of this section.

**1. FIRST APPREHENSION:** When a law enforcement officer (officer) apprehends a child whom the officer has probable cause to believe is in violation of or has violated this section, the officer shall

both

(a) verbally warn the child that he/she is violating or has violated this section, and return the child immediately to his/her home or other household wherein the child may lawfully spend the night, unless the child has been apprehended and is subject to being detained for an alleged violation of a federal law or a Tribal law other than this section and

(b) advise the child's parent (s) guardian or other adult having custody that any subsequent violation (s) of this section by the child could result in charges being filed against that person so advised.

Should law enforcement not be able to make contact with the parent (s) or other person responsible for the child for the purpose of effecting the child's return, law enforcement may then notify Child Protection Services for placement.

**2. SECOND AND SUBSEQUENT APPREHENSIONS:** In the instance of the second and subsequent apprehensions of a child under this section, when an officer has probable cause to believe that the child is in violation of or has violated this section, the officer shall apprehend the child and shall either:

(a) return the child immediately to his/her home or other household wherein the child may lawfully spend the night, and issue a citation and summons to appear in court for violation of this section, or

(b) detain the child as necessitated and justified by the particular circumstances, and appropriately process the child for violation of this section.

**DISPOSITION:** A child adjudged as having violated this section shall be subject to the performance of community service, imposition of a fine not to exceed \$150.00, and/or detention for a period not to exceed thirty (30) days in a suitable juvenile facility. Probation may be utilized as appropriate.

### SECTION II

**VIOLATION:** A parent, guardian, or other adult having custody of a child, who has been previously advised by law enforcement of a violation of this curfew law by such child, shall be subject to a charge of Contribution to Delinquency of a Minor (Tribal Code, Title III, Chapter 2, Section 1000.8), should the child be apprehended for subsequent violation of this curfew law.

**PENALTY:** This offense is a Class II Misdemeanor, for which a maximum period of incarceration of ninety (90) days, a maximum fine of Three Hundred Dollars (\$300.00), or both, may be imposed.

# TAT New Additions To The Police Department

Submitted by Dan Hudspeth TAT Police

New additions to the TAT Police Department are, Dan Hudspeth, Mark New Holy, Chad Roe, Derek Puckett and Jerry Nelson:

Dan Hudspeth is a member of the Oglala Sioux Tribe and has (21) years of Law Enforcement experience, he was the Sgt. Of police for the Pine Ridge District in Pine Ridge, SD. He has worked on several Reservation throughout his career. He is a National Instructor in Defensive Tactic's, Knife Defensive, Ground Defense, Retention Tactics, Firearms, FLETC Adjunct Instructor, Field Training Officer, Handcuffing and Oleoresin Capsicum (OC) Instructor. Basic and advance Leadership training. He is family oriented and believes in a partnership with the communities he serves.

Mark New Holy is a member of the Oglala Sioux Tribe and has 6 plus years Law Enforcement experience.

Derek Puckett is a member of the Oglala Sioux Tribe and is a certified k9 handler, His Canine is LUNA, a Dutch Sheppard and he has (6) years plus experience in Law Enforcement.

Chad Roe, has (4) years plus in Law Enforcement, is a certified EMT, Fire Fighter, and Instructor in Firearms and an Active Shooter Instructor. He has (20) plus years experience as a Medic and Fire Fighter before beginning his career in Law Enforcement.

All three have been employed with the MHA Nation since May of this year and have come from the Pine Ridge Reservation where they were Officers with the Oglala Sioux Tribe Department of Public Safety.

Photo and bio were submitted by Officer Nelson.

I would like to take this time to introduce himself to the community. My past (16) years experience as Law Enforcement Officer in Indian Country in Nebraska and South Dakota and (4) years of Certified Police Canine experience with several past teams as Canine Officer in Indian Country. I have attended the South Dakota Basic Police Academy in July 2001 109th Class and The US IPA Basic Police Officer Course 111th Class in May 2008 with additional training and certifications along the way including Canine training and recertification four different times and three

At Vonnie Licke Kennels in Denver and Indiana. I'm currently stationed in the Twin Buttes segment and scheduled to go pick my police canine and conduct training . I'm very positive and self motivating person. Thank you for your time in this matter and I look forward to serving the MHA Nation community members

TAT LES K-9 Officer Jeremiah J. Nelson.

The Department is in the process of hiring more certified officers along with eligible persons willing to start a career in Law Enforcement. Our Dispatch is also seeking qualified applicants as there are also open positions there.

The goal is to have enough officers so that each Segment will have Officers assigned specifically to the Segment as to provide better services to the communities.

Thank you

Dan Hudspeth, MHA Nation Police Department

# Mandaree School News

**Every Day, Every Class,  
Present, and On Time!**

**Welcome Back To a New  
School Year!**

We are excited to get things up  
and running for another great  
school year.

## **We welcome the following new teachers to the school:**

Mrs. Fisketjon: Special Education Director

Ms. Smith: Special Education Teacher

Mrs. Zink: 1st Grade Teacher

Mrs. Lampi: 1st Grade Teacher

Mr. Medicine Hawk: 4th Grade Teacher

Mrs. Grooms: 5th Grade Teacher

Mr. Landes: High School Mathematics Teacher

Mr. Probst: High School Social Studies Teacher

Mr. Fishel: High School English Teacher

Mr. Wright: Intervention Teacher/Technology

Mr. Avello: Construction Technology

## **School Routines Back in full Swing:**

As students and teachers get back into the swing of school routines and procedures are important to the overall smooth operation of each classroom as well as the entire school building. Students and teachers spent the first days of school establishing safe and common routines throughout the school.

**ICU Continues:** The ICU Process is up and running again this school year. ICU stands for Intensive Care Unit, just like the hospital. ICU is a communication tool, a shared, school-wide document that tracks missing students assignments. The document helps teachers and administrators communicate with each other as well as with the students and their parents. Students learn quickly that if they have a missing assignment; their grade is sick and needs attention. The goal is to implement the process and avoid students reaching the end of a semester and totally disengage because they know they are not going to get the credit/grade.

This year teachers are only putting failed assignments on the list. If a student is not on the ICU list that does not mean that he/she is passing the class. The ICU list is not the Eligibility list that run each week for sports participation.

## **Messenger Communication:**

The school uses an auto-dialer communication system that is tied to the student information database. When we launch a message on our end the message goes to contact telephone we have on file. So please keep your contact information current so that you get the latest breaking news!

## **Falling Temperatures:**

The weather conditions are very changeable these next few weeks. Be sure your child comes to school dressed for the weather. The students do go out for recess even on colder days. As a rule we go outside as long as the temperature is above 0 degrees.

## **Hunting Season:**

Hunting season is just around the corner. This is just a reminder that it is against federal law to have firearms on school property. It is easy to forget that you have a rifle or other firearm in a gun rack. Please ensure that you do not bring firearms in your vehicle when you drop off or pick up your children.

## **Head Lice:**

Guidance from the State Department of Health states that head lice is a nuisance and not a communicable disease therefore students are not to be sent home. None of the district's schools shall prohibit a student with a lice infestation from attending school. School Board Policy FCAC: Head lice states that the District shall make an effort to assist in head lice prevention. Administration shall issue guidance to parents on an annual basis on head lice screening techniques and prevention. A fact sheet on symptoms and treatment and the full Head Lice Policy has been sent home with students. If parents have other questions please stop by the school office.

## **Dates To Remember:**

**October 14, 2014: Picture Day– The school will pay \$10 on your child's picture packet.**

**October 15, 2014: End of 1st 9 weeks.**

**October 16-17, 2014: No School– Teacher Convention**

**October 21, 2014: Report Cards to be mailed.**

**October 31, 2014: Classroom Fall Celebrations 2:15pm-3:30pm (Please send only a healthy snack for your child only. Classroom snacks are discouraged because there is not enough time to consume them and they are thrown away.) Fall Carnival Festival 5pm-7pm.**

**November 6, 2014: Upper Missouri District Health Unit Flu Shot Clinic-Watch for permission slips.**

**November 10-14: TAT Diabetes Project will conduct annual height/weight and screening-watch for permission slips**

**November 11, 2014: No School Veteran's Day**

**November 18, 2014: Parent/Teacher Conferences 4pm-7pm.**

**November 26, 27, 28: No School Thanksgiving**

**December 23, 2014: Last Day of School Before Winter Break.**

**December 24-January 2: No School-Winter Break**

**January 5, 2015: School Resumes.**

## TAT Circle of Life Program

In the past month I have been approached by community members asking about after hour and weekend services for mental health and/or substance use disorder services.

There are four Human Service Centers surrounding the Fort Berthold Reservation. Each facility has an emergency hot line 24 hour on call staff.

There is also an outreach service in towns of New Town, Stanley, Watford City and Tioga. The Human Service Centers are committed to serving the people of North Dakota, so please feel free to call when you are in need.

## Let Us Pray.....

As our times and culture has changed it is very hard to discern and know who is telling the truth. Without the Holy Spirit our spirit is thrown into confusion with all the thoughts and words people release so freely without any consideration if they are offending someone or spreading false information. Through prayer we can find peace and balance and find our way back into truth. It's never too late to repent of our actions and forgive those who may have offended us. David the Bible says was a man after God's own heart, David had lived his entire career in the political arena and made some major mistakes, but because of a repented heart God always restored him. What great news that is for us as well. We don't have to continuously let the devil beat up on us and remind us of our past, but turn to a loving and merciful God, Creator of the Heavens and earth.

Here is a Psalm from David during his time of fear and turmoil.

### **Psalm 27**

1. *The Lord is my Light and my Salvation~ whom shall I fear or dread? The Lord is the Refuge and Stronghold of my life~ of who shall I be afraid?*
2. *When the wicked, even my enemies and my foes, came upon me to eat up my flesh, they stumbled and fell.*
3. *Through a host encamp against me, my heart shall not fear; though war arise against me, (even then) in this will I be confident.*
4. *One thing have I asked of the Lord, that will I seek, inquire for, and (insistently) require: that I may dwell in the house of the Lord (in His presence) all the days of my life, to behold and gaze upon the beauty (the sweet attractive and the delightful loveliness) of the Lord and to meditate, consider, and inquire in His temple.*
5. *For the day of trouble He will hide me in His shelter; in the secret place of His tent will He hide me; He will set me high upon a rock.*

6. *And now shall my head be lifted up above my enemies round about me; in His tent I will offer sacrifices and shouting of joy; I will sing, yes, I will sing praises to the Lord.*

7. *Hear, O Lord, when I cry aloud; have mercy and be gracious to me and answer me!*

8. *You have said, Seek My face (inquire for and require My presence as your vital need). My heart says to You, Your face (Your presence), Lord, will I seek, inquire for, and require (of necessity and on the authority of Your Word).*

9. *Hide not Your face from me; turn not Your servant away in anger, You Who have been my help! Cast me not off, neither forsake me, O God of my salvation!*

10. *Although my father and my mother have forsaken me, yet the Lord will take me up (adopt me as His child).*

11. *Teach me Your way, O Lord, and lead me in a plain and even path because of my enemies (those who lie in wait for me).*

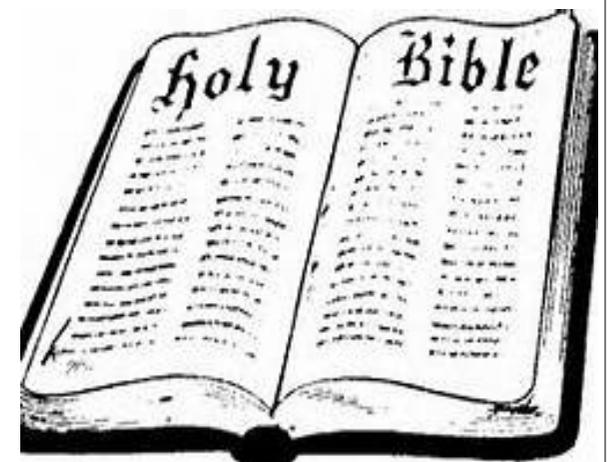

12. *Give me not up to the will of my adversaries, for false witnesses have risen up against me; they breathe out cruelty and violence.*

13. *(What, what would have become of me) had I not believed that I would see the Lord's goodness in the land of the living!*

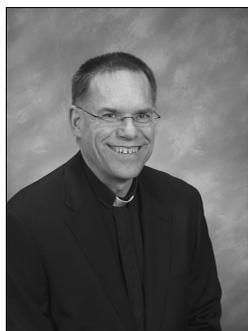

14. *Wait and hope for and expect the Lord; be brave and of good courage and let your heart be stout and enduring. Yes, wait for hope for and expect the Lord.*

Amen and God Bless

Pastor Elise Packineau  
Mandaree Hidatsa Church

## My Journey In Serving Our Lord Jesus Christ As A Priest

Being a disciple of God is very important to me, therefore I will tell you my vocation story, my journey towards serving our Lord Jesus Christ as a priest. I was born in 1959, the first of four in a Williston hospital and lived in the surrounding area. For the next ten years we moved from house to house several times in the Ray and Williston areas. Grade school included St. Joseph Catholic School and Webster Public school in Williston. At the age of ten my family moved to the ranch/farm previously owned by Howard Lund twenty-three miles east of Williston. The area currently called Lund's Landing along highway 1804. I finished out my grade school and middle school years in a one room country school called Wunderlich and high school in Ray.

Desiring to become a veterinarian I attended NDSU in Fargo to get my pre-vet courses out of the way. Discovering how difficult it would be to be accepted into a vet school, I took a detour by entering into the two year veterinarian assistant program with the hopes that a vet school would see a strong interest in becoming a veterinarian and overlook lower grades. With the assistant program completed, I returned to my pre-vet courses. However, in January of 1982, my father died of a heart attack which forced me to make a decision between continuing my studies for vet school or purchase the family farm/ranch. With a little help from my uncle I chose to farm/ranch. For the next five years my life on the farm/ranch was busy and depressing because not much rain fell. With this career not working I sold the farm and went back to NDSU to pursue a life as a veterinarian. However, during the farm/ranch years I was spiritually awakened. My desires began to shift. I returned to NDSU to complete the final two years of pre vet courses and graduate with a bachelor degree but I also began to look into the life as a priest. Just before I began my final year I decided not to pursue vet school and decided to graduate with a Bachelor of Science with an emphasis in Animal Science. After graduation, I began to focus on the vocation of priesthood.

To help me with this discernment I chose jobs that would permit me the freedom to discern. The first year I worked at a greenhouse in Fargo while working as a janitor at the NDSU Newman Center. The second year I took a housekeep job at the Church of Nativity in Fargo while being a janitor on the weekends. The third year I found a job at the Olive Garden as a host and pasta maker while entering into a discernment program at the local seminary in Fargo. By this time, I had discerned that I would go into the seminary and let the staff there help with my discernment. In the fall of 1991 I drove to the Pontifical College Josephinum in Columbus, Ohio and entered into a two year pre theology program which was followed by a four year theology program. On Saturday, April 20th, 1997 Bishop Zipfel came to the Josephinum in and ordained me to the Diaconate along with seven other men from around the country. I shed many tears of joy. On May 28th 1998, Bishop Zipfel ordained me to the Priesthood and assigned me as the Associate Pastor at the Church of Saint Anne in Bismarck. In September of 1999 Bishop Zipfel assigned me to be the pastor at St. Martin in Center and in 2000 Bishop Zipfel joined St. Edwin of Washburn to St. Martin forming a

a new cluster. In 2003 Bishop Zipfel decided to rearrange my cluster and two others into just two clusters. This meant two pastors would pick up another parish and one pastor would be moved. Bishop Zipfel decided that I would be assigned to a cluster of three on the Fort Berthold Reservation~ St. Bridget in Parshall, Sacred Heart in Plaza and St. Elizabeth in Makoti. This cluster was unchanged until 2010 when Bishop Zipfel asked that St. Anthony of New Town be added to the cluster and become the main parish of the cluster. In July of 2014, with Fr. Paul Eberle becoming the spiritual director for the Kenrick Seminary in St. Louis, Missouri, Bishop Kagan, our new bishop, realigned the cluster once again. I remained the pastor of St. Anthony in New Town but St. Anthony of Mandaree was joined to form a new cluster. When we listen to this presence, we find our vocation. May God bless you always.

Love & Prayers!

Fr. Roger A. Synek

## Motorist To Use Caution & Share The Road With Farm Equipment During Harvest

608 East Boulevard Avenue, Bismarck, ND 58505-0700 Toll Free: 1-855-637-6237

Harvest Season is underway throughout the state and the North Dakota Department of Transportation (NDDOT) is urging motorists to use caution as large farm equipment is out on the roadways this time of year.

“Motorist should be extremely cautious as they drive, especially on rural, two-lane roads, as slow moving farm equipment is out on the roadways,” says Karin Mongeon, NDDOT Safety Division Director. “Most crashes are due to inattention, speeding and unsafe passing. When approaching farm equipment, motorists need to pay attention, slow down and pass with extreme caution.”

Farm equipment is very large and heavy making it difficult for operators to accelerate, slow down and stop. These vehicles also have large blind spots, making it difficult for operators to see approaching vehicles.

In 2013, there was one fatal crash and 15 injury crashes in North Dakota involving farm equipment. “By taking extra precautions on the roadway and safely sharing the road with farm equipment, crashes can be prevented,” stresses Mongeon.

Motorist are reminded to:

- Watch for mud and debris on the roadway as trucks go directly from the field onto the highway.
- Be aware that you can encounter farm equipment at any time of the day.
- Drive with headlights on at all times.
- Wear seatbelts. Seatbelts are your best protection against death and injury in the event of a crash.

In addition, farmers are reminded of the opportunity to get 10 percent extra weight permits that can be issued to expedite the first haul of farm products during harvest. Additionally, farmers should be aware that road construction projects are finishing up this time of year as well. Some roads may be inaccessible to large farm equipment.

Farm equipment operators should consider the following precautions:

- Use lights and flashers to make equipment more visible.
- Use slow moving emblems on equipment traveling less than 30 mph.
- Consider using a follow vehicle when moving equipment, especially at night.

# Blue Cedar Lodge Opens in Bismarck Area For Tribal Members

## THE STORY OF BLUE CEDAR LODGE

A late MHA Elder, once told a story about the importance of the smoked cedar and its medicinal purposes. People often don't use the right cedar for medicine, cedar (with or without berries) found close to or on the ground is the most potent cedar medicine. This cedar found on or near the ground is a juniper variety called "Winter Blue."

Just as the blue cedar is meant to heal, the Blue Cedar Lodge provides a temporary sanctuary - a home away from home - for enrolled members of the MHA Nation from out of town to come together for a loved one or family member.

PRAY, REST & HEAL

Funded by the Office of the  
Chairman of the MHA Nation

## HISTORY OF THE MHA NATION

The MHA Nation consists of the MHA Nation: the Mandan, Hidatsa, and Sahnish. The Three Tribes share a rich culture and history with one another, but they also maintain a distinct sense of tribal relations. Each tribe maintained separate bands, clan systems, and ceremonial bundles. The three tribes lived in earth lodges, were farmers, hunted wild game and relied heavily on the buffalo for food, shelter, clothing, and animal parts for making various utensils and garden tools. They maintained a vast trading system. Today, the TAT has evolved into a government entity that manages governmental, economic, health, welfare and educational programs.

Today, the MHA Nation leads the Bakken Oil Boom in production of oil. The MHA Nation is the first of like Nations to own and operate their own Clean Oils Refinery, the Thunder Butte Refinery. This expansion and resulting sovereignty has opened doors for growth, education and employment throughout the Fort Berthold Reservation. The MHA Nation is a true Sovereign Nation and will continue to thrive off its successes and gift from Mother Earth for years to come.

## CONTACT INFORMATION

**Please contact the Blue Cedar Lodge at:**

**Phone:** (701) 751-3845

**Email:** [bluecedarlodge@mhanation.com](mailto:bluecedarlodge@mhanation.com)

**Address:**

Blue Cedar Lodge  
2314 Lexi Loop  
Mandan, ND 58554

## ELIGIBILITY

Persons enrolled as a member of the MHA Nation whose immediate family member has been admitted to ICU within Bismarck or Mandan care facilities.

## ROOM AVAILABILITY/ REQUESTS

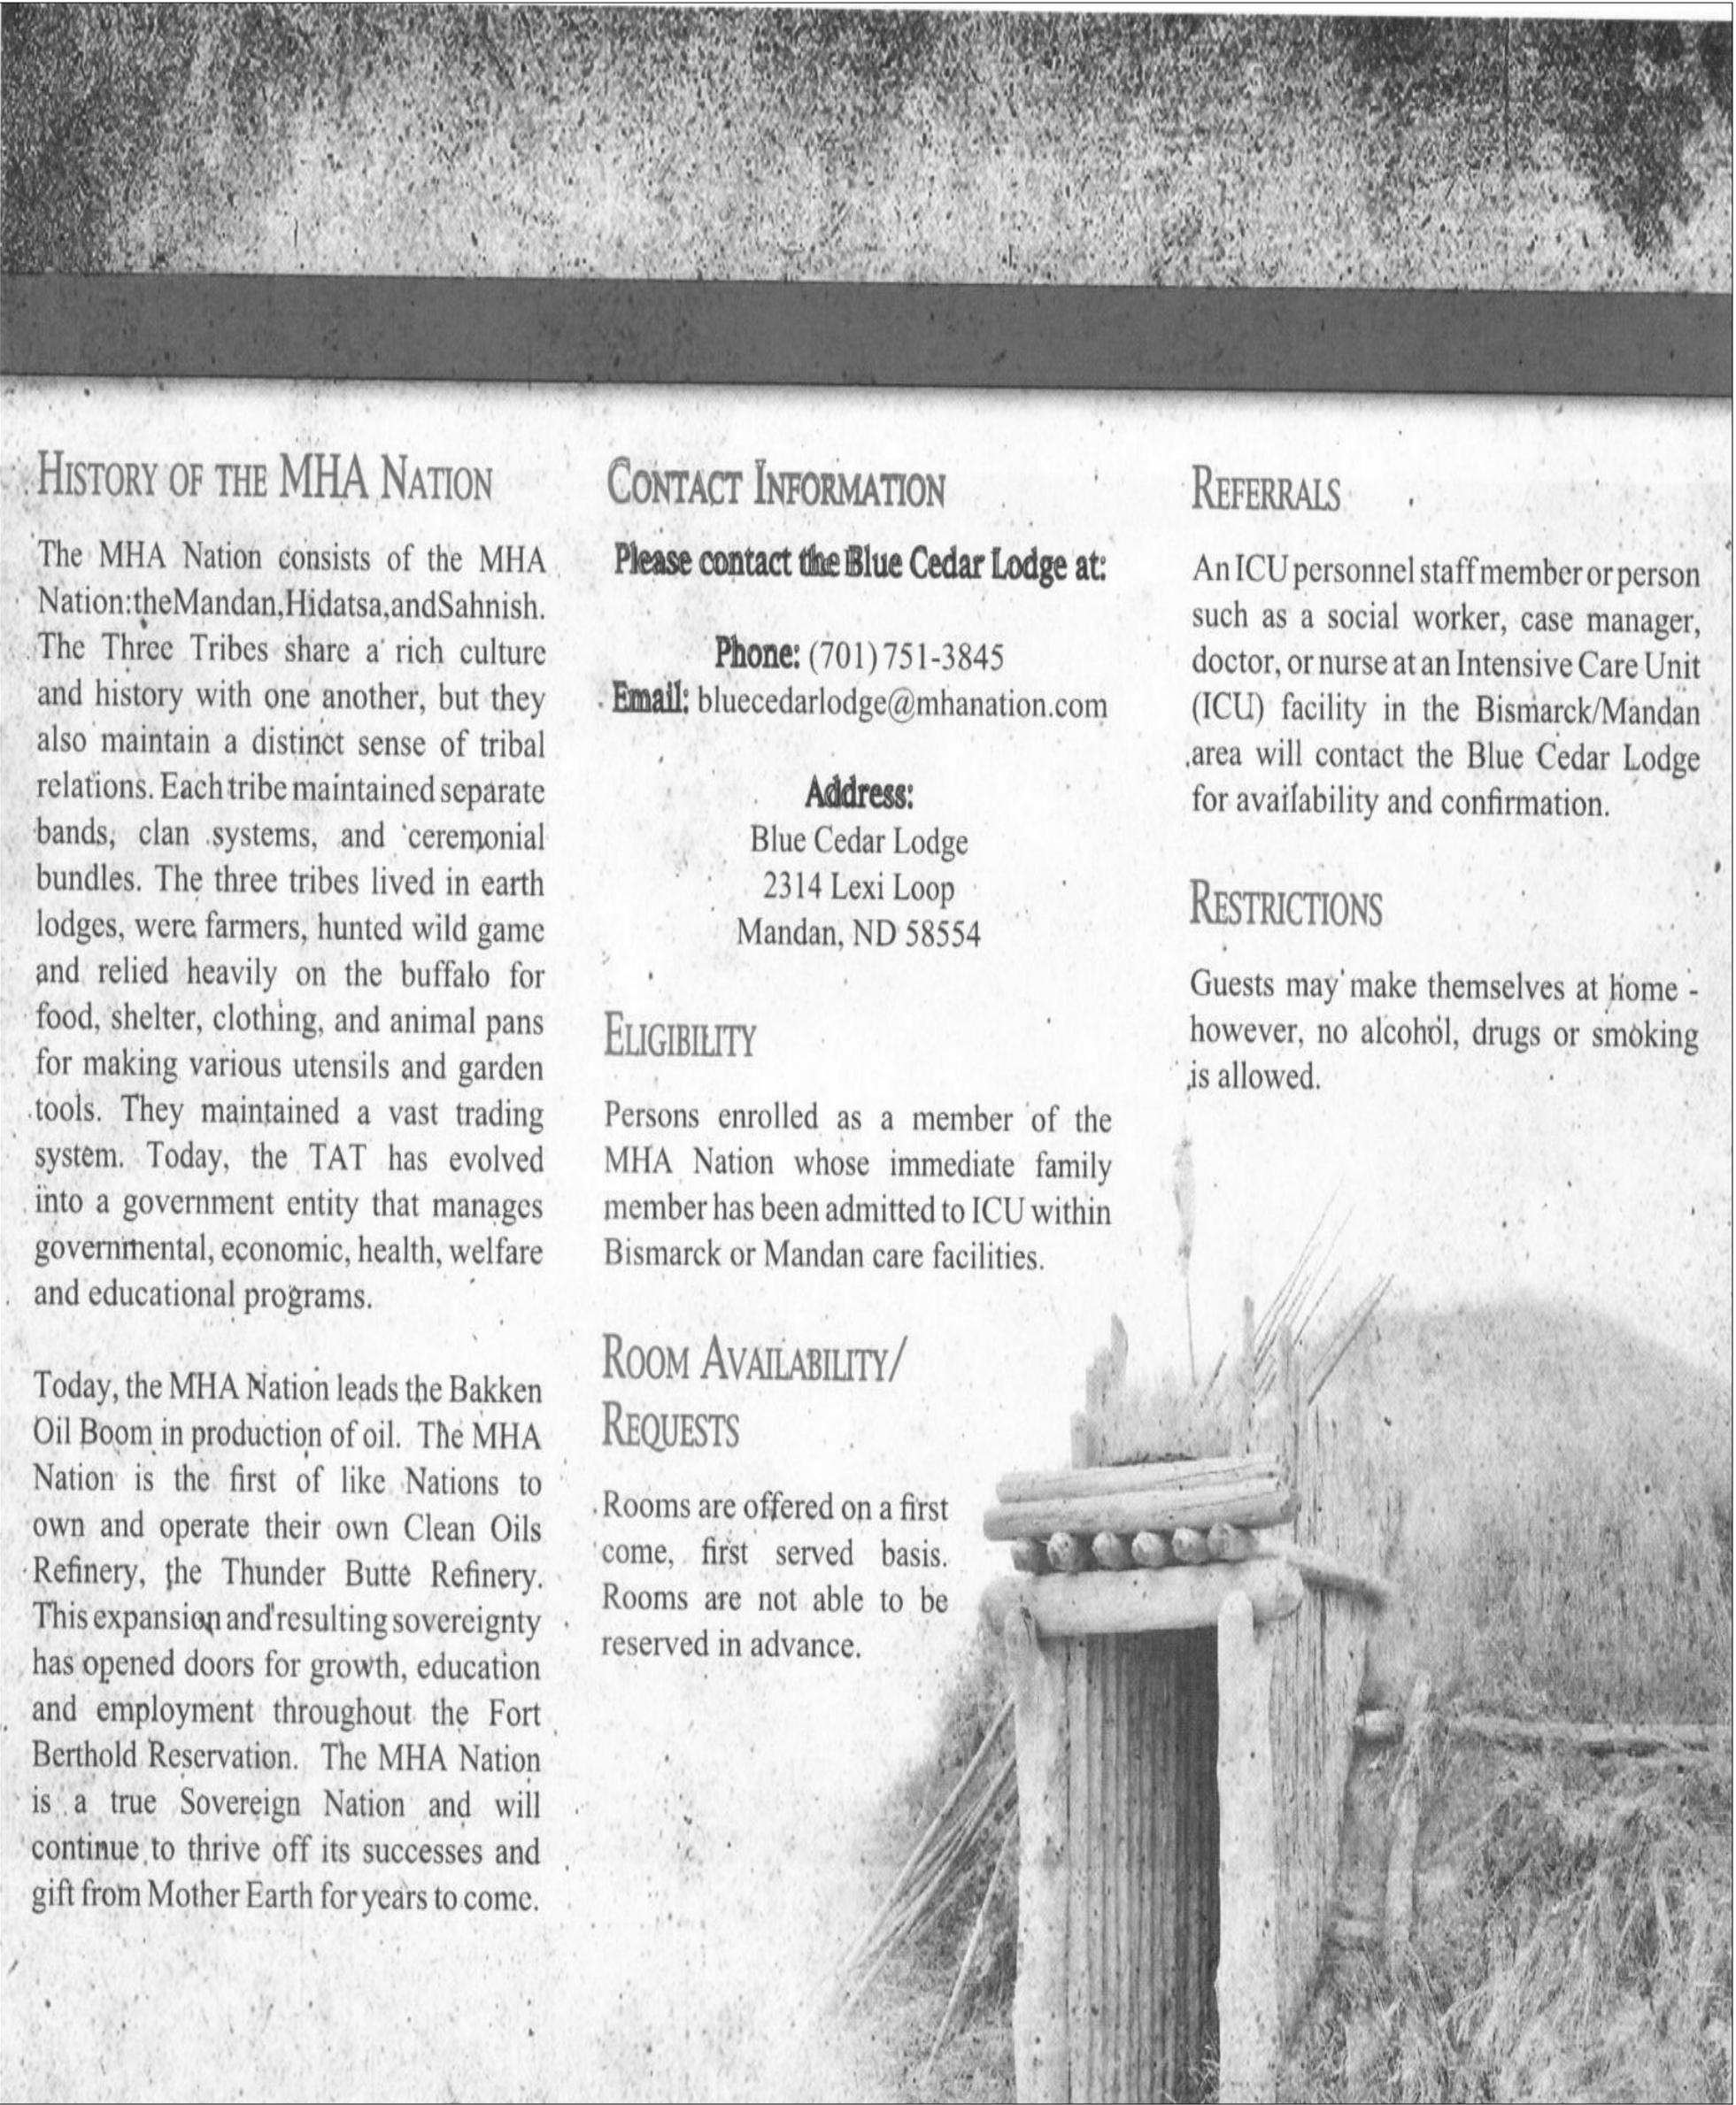

Rooms are offered on a first come, first served basis. Rooms are not able to be reserved in advance.

## REFERRALS

An ICU personnel staff member or person such as a social worker, case manager, doctor, or nurse at an Intensive Care Unit (ICU) facility in the Bismarck/Mandan area will contact the Blue Cedar Lodge for availability and confirmation.

## RESTRICTIONS

Guests may make themselves at home - however, no alcohol, drugs or smoking is allowed.

## Hosts a Scrubs Camp in Your Community

The Rural Collaborative Opportunities for Occupational Learning in Health (R-COOL-Health) Scrubs Camp Program is an opportunity for students in grades 5-12 to learn about health care professions in fun, interactive ways.

The Center for Rural Health provides funding and support to communities to host a local Scrubs Camp. Grant proposals for the 2014-2015 Scrubs Camp are now be accepted.

For more information or to submit your proposal, visit [Scrubs Camp project webpage](#) or contact Kylie Nissen at 701-777-5380 or [kylie.nissen@med.und.edu](mailto:kylie.nissen@med.und.edu)

Greetings!

The Three Affiliated Tribes Sex Offender Registry Program currently has 33 registered Sex Offenders, (7) Tier III High Risk, (11) Tier II-Moderate Risk, (15) Tier I-Low Risk. Our staff of 2 is currently undergoing the process of registering approximately 114 NON-MEMBERS that either lives, goes to school, and or work on the Fort Berthold Indian Reservation. Pursuant to the Adam Walsh Child Protection Act, any convicted sex offender who lives, works, or attends school within the exterior boundaries of the Three Affiliated Tribes, must register as a Sex Offender with the Three Affiliated Tribes, in addition to any other state, territory, or tribal registration.

Below you will find the link to the MHA Sex Offender website. On the site you can search for information about sex offenders that are registered with the Three Affiliated Tribes Police Department as required by Tribal resolution. <http://mhanation.nsopw.gov> North Dakota Sex Offender website is: <http://www.sexoffender.nd.gov>

If you have any questions or concerns, please feel free to give our office a call or Kasey Hall, Sex Offender Registration Specialist, 701-421-2485.

Thank you and have a good day.

Melissa Mason, (701) 627-3617 or (701) 421-5841

Compliance Officer, TAT Sex Offender Registry

## A Big Thank You!

Lovina Fox mother of the bride and Joe and Lisette Figueroa of Raleigh, North Carolina parents of the groom. Would like to thank everyone who came to Skye and Jonathan's Wedding. A big thank you to those who brought wedding gifts. Both Jonathan and Skye are very thankful and grateful to everyone.

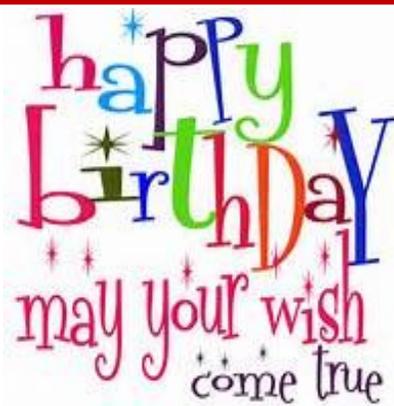

They would like to say thank you to these relatives who helped decorate; Amber, Toni, Johnny, Denise, Latisha Lindsey, Natasha, our parents and to all who helped make their day a memorable one.

Here is a picture they would like to share with everyone. Which is one of the many wedding pictures they took on their special day.

Photographs were taken by Dewitz Photography.

Thank you & God bless. Skye and Jonathan Manikateri

## September Birthday Wishes to Our Elders!

**Arlene Charging**

**Lyda Bearstail**

**Dinah Black Hawk**
