Our own Mandaree Singers pictured above with the first grand entry song of the beginning of the 2016 Mandaree Celebration. This year there were 777 registered dancers and 29 drums through out Indian country. The MC's for this year's celebration were Howie Thomson from Carry the Kettle, Canada and Caseymac Wallahee from Yakama, Washington. Charlie Moran from New Town, North Dakota. These fine men all came together and helped the Mandaree Celebration. Without drums we all know we would not have a successful celebration. Mandaree had a singing contest and here are the results: **Original:** 1st- Battle River, 2nd-MNX, 3rd-Showtime, 4th- Sharp Shooter, 5th-Ft Peck Sioux. **Contemporary:** 1st- TBZ, 2nd-Southern Cree Jrs., 3rd- White Bull, 4th- Eagle Feather, 5th- Bad Nation. Southern: 1st- Wildband of Comanche's, 2nd- Buc Wild, 3rd- Southern Boys, 4th- Cozad, 5th- Southern Style.

West Segment Tribal Representative Update

Hello Community Members, relatives and friends. Before I begin I would like to send my sincere condolences and sympathy to the families and relatives of

Joyce Chase Rave, Rita Hawk and Aaron Hale. I would also like to send my condolences to the family and relatives who lost their beloved ones from our other segments within our reservation.

I would just like to offer some feedback on our 2016 Mandaree Celebration which is now just a memory. Overall, it was a great weekend, we had a lot of visitors, feeds and donating that took place during our celebration. Our specials are what brings people from all directions in Indian country and we did have a lot of specials.

It did rain but we handled it well the celebration still went on and people enjoyed themselves. I would like to thank all the committee members who worked hard during the celebration and to those who took care of even the little things, everything helped and everyone

is greatly appreciated. I would like to thank all those who came forth to sponsor specials during our celebration, this is what makes our celebration a success!

I would also like to thank the singers who came from far and near to participate in our singing contest and to those drums who came to sing and not contest.

This is all I have for now, as you know my family was on the committee here so I was very busy all weekend making sure everything went good for our people. Our celebration wasn't over till four in the morning.

I will have more for you in our next update.

Thank you for being a good reader.

Hiraaca Elders

Greetings from the Program Staff and hope your summer has been going smoothly. Here at the Elders Center we have

been busy gardening and trip planning as well as planning the Elders Appreciation Dinner which has already taken place. You can see pictures on page 9 in our newspaper.

We intend to make this an annual event so we can continue to show appreciation for our community elders who are 75 years and older and who have been a part of our community throughout their lifespans. We want to show our appreciation for their contribution to our community however big or small and to show that we really appreciate their presence in our community even though there is nothing said or done to show this appreciation.

The community has 17 elders who are 75 years old and older that we will present a gift too and provide a traditional meal.

In addition, we will be posting pictures of our trip to Deadwood, South Dakota. I am glad to report that we will be receiving our elders disbursements on Thursday, July 21st at the Northern Lights building in

New Town.

We are still proceeding with our long term goals and have met some of our short term goals and we wish to thank the board members and other elders for their continued positive input.

We hope that elders continue to express their concerns and input as this program is for our elders.

We are working on addressing the concerns of those who do not go on trips with something for social activities.

We look forward to a continued good summer for all.

Gowits

Mavis Young Bear: Director-Mandaree Hiraaca Elders Program

Ceremony for New Crestwood Mahgiddashda Center

Heath Deneke Chief Operating Officer for Crestwood is based out of Houston, Texas. As he states to the crowd; "At Crestwood, we believe we have a corporate responsibility to invest in the communities where we operate and where our employees live. Over these last two plus years Crestwood has had several opportunities to participate in the community at large. We've sponsored programs and events ranging from the

American Indian Cancer Foundation to the Mandaree Thanksgiving feed to the Mandaree Celebration. While each of these programs have a significant impact to this community, Crestwood has been listening and looking for a larger opportunity to give back to the people of MHA Nation and more specifically to the people here in the West Segment.

A few months ago, Vice Chairman Phelan directed us to an opportunity to support the Head Start Program here in Mandaree. As a little background, Head Start was founded in 1965, with the mission of promoting the development and school readiness of 3-5 year old children. MHA Nation has offered a Head Start program for 43 of it's 51 years of operation.

Today the program is led by Kelly Bradfield, Director of the Three Affiliated Tribes Head Start. When our folks visited with Kelly for the first time, they couldn't help but catch her passion for the children of Fort Berthold. They said it was simply contagious. I am grateful that Kelly is with us today and would ask her to stand and be recognized for her commitment to Head Start and to the children of Fort Berthold.

In our conversations with Vice Chairman Phelan and Kelly we learned that programming for Mandaree Head Start is consistently funded through

grants and supplemented by the Tribes' annual budget, a sign of the importance of this program to the MHA people. We also learned that grants for capital improvements are almost non-existent. Since the 1970s, Mandaree Head Start has called a modular building here in town home. That building has provided for this program for many years, but its useful life is quickly nearing an end. Additionally the current building has prevented the program from expanding in recent years, resulting in long waiting lists and forcing staff to turn away eligible families.

Today marks a new era for the Mandaree Head Start program. I am excited to announce a capital campaign to build a new Head Start facility here in Mandaree.

This new facility will be located on this very site and will give Mandaree Head Start program the ability to double it's size allowing more children in the community to get early education and health and nutrition services needed to thrive during the critical early development years and on into adulthood. To ensure the success of this capital campaign, Crestwood is donating \$1 million to the project and will commit its corporate relationships and resources to raising the additional funds necessary. The new facility will be called the "Crestwood Mahgiddashda Center" and will be open in time for the 2017-18 school year.

We hope that you are excited about this project as we are. Thank you for all joining us here today. Photos page 8.

Ms. Kelly Bradfield, Director, TAT Head Start.

2016 Mandaree Celebration Grand Entry

Headman Jude Phelan and headwoman dancer– Jamie Hale participate in this year's grand entry.

Friday night grand entry at the 2016 Mandaree Celebration. Myron B. Johnson Post and Ladies Auxiliary following close behind.

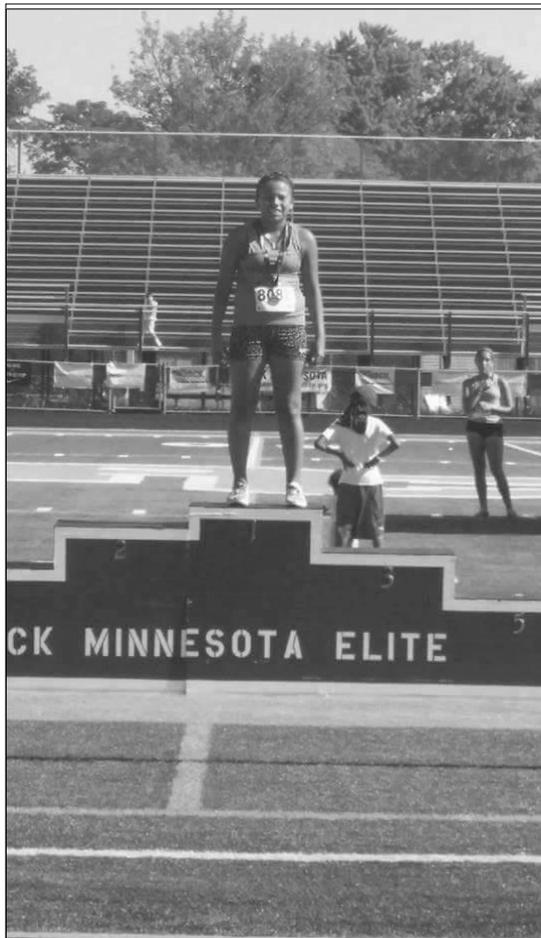

Pictured above in Warbonnets; West Segment Council Representative and MHA Vice President-Randy Phelan, MHA Tribal Chairman-Mark Fox, White Shield Representative– Fred Fox, and North Segment Representative– Lewis Ken Hall from the Three Affiliated Tribes Tribal Council who participated in the 2016 Mandaree Celebration grand entry. Pictured to your right are the ladies auxiliary following the Post for grand entry.

For Your Information

Jessilynn Long Feather Qualified for AAU Junior Olympics For Track & Field

12 year old Jessilynn Long Feather, is the daughter of Adele Phelan and the granddaughter of Randy and Jessica Phelan. Her mother and her grandparents are very proud of her.

Jessilynn trains very hard when she isn't competing. She has a great support system from her family and relatives, who encourage her. Her mother Adele says; "I'm so proud of Jessilynn and she

pushed herself to the limit".

In Jessilynn's recent travels to Minnesota she qualified for the 1500M and Jessilynn qualified in the 3000M and 1500M. According to her mother Adele, she will be traveling to Houston, Texas on July 27th to August 5th, 2016.

Jessilynn qualified Region 14 (ND, SD, MN, NE, Wisconsin and Iowa). Only the top 6 qualify for Nationals and Jessilynn took 1st-3000M and 6th-1500M. Her mother will be having fundraisers throughout this month to help defray travel expenses.

If you can your help would be greatly appreciated, to encourage this young lady who has made a name for herself in the AAU and has qualified for Nationals.

On behalf of the staff here at the West Segment office, we would like to wish her well as she competes and wish her all the luck in her endeavor to be the best that she can be.

Tribal Member Graduates With A Doctorate Degree At The University Of Montana

Ruthann (Hall) Swaney, is the daughter of Nellie Boyd and Don Hall, and the granddaughter of the late Francis (Smith) and Sam Boyd, and the late Charlotte Kling and Mervel Hall. Ruth graduated this year with her Doctorate in Forestry and Conservation Sciences at the University of Montana. She belongs to the MaXho Xadi Clan and is an enrolled member of the Three Affiliated Tribes.

Most of her growing up years were on the family ranch in Mandaree where she attended elementary school, and she served on the Mandaree Pow wow Committee, guided by her grandmother, Germaine (Dragswolf) Fox.

Ruth graduated with honors from New Town High School and then from the Fort Berthold Community College. She started teaching at the Edwin Loe Elementary School. As a faculty member at the Fort Berthold Community College she was selected to conduct research in Costa Rica. Her work in Education continued in Montana with the Fort Peck Community College and the Wolf Point School District. With funding support from the Sloan Indigenous Graduate Program and the Ford Foundation's Pre-Doctoral Fellowship she was able to earn a Master's in Organismal Biology and Ecology and then her Doctorate.

Ruth Ann has achieved so much in her life, she loves her culture and is very proud of her traditional ways as you can see she is the only one dressed in her traditional regalia. When she travels home to North Dakota Ruth Ann makes a point to stop in and visit her relatives, which is something we all don't do but Ruthann takes the time to do just that. She remembers the teachings of our ways that were shared with her and she in turn teaches and shares with her children.

Currently, she works as the Native American Natural Resource Program Coordinator at the University of Montana and serves on the Board of Directors for the Montana Indian Education Association.

Her home is now in Missoula with her husband; Bill Swaney, her teen sons; Michael Jr., and Francis Short Bull and her daughter Lily Anna Swaney.

Mandaree Clean Up!

Florene Halverson, Amanda Mckenzie and Lorraine Howe were keeping track of bags and names of those who picked up garbage. Garbage bags were 5.00 each, while others picked for tickets to the State Fair. A great turn out we had 255 participants for our clean up day. We will also have another one on Monday after the pow wow, so this will give our kids some extra money for the State fair in Minot.

Everyone had an area that they wanted to clean up. With all the efforts made to make Mandaree Clean our community should look really nice when visitors come this weekend for our pow wow.

Ceremony for New Crestwood Mahgiddashda Center

West Segment Council Representative Randy Phelan gives a welcome to everyone and to Crestwood. He also introduced Ms. Kelly Bradfield the Director of all Head Starts for the MHA Nation.

From left to right is; Heath Deneke, Chief Operating Officer for Crestwood, Councilman Vice President Randy Phelan, who proudly displays a picture of the one million dollar check. Kelly Bradfield, MHA Nation Head Start Director and Robbie McDonough, Vice President, Land and Government Relations for Crestwood.

Pictured above is the MHA Nation Head Start Director, Ms. Kelly Bradfield, who was feeling very emotional during her talk as she resided her grandmother's teachings. She also thanked Crestwood for making this all possible and a thanked Councilman Phelan for his role in making this a reality for our children here in the West Segment community. Her staff and others who helped.

Bradfield had a lot of family support as the Director of the MHA Nation Head Start Program which entails a lot of responsibility on her part as the Director. Bradfield's mother a retired teacher and Administrator in Education was always on hand to help her daughter.

This wonderful event was filled with community members and some who traveled from New Town to celebrate with us and to witness the giving of the one million dollar check to the MHA Nation Head Start Program. Everyone enjoyed an awesome meal together and all shared the same happiness for our children here in our West Segment community who will enjoy a brand new building this fall.

Mandaree Eldest Elders Honored

There has been many first's in our West Segment Community and this is one of them. This is the first time that our elders who are older were honored with a meal and Pendleton's.

Each elder that responded to their invitations received a great meal and a gift. Door prizes were also given out on this same afternoon. Board members on hand were asked to say a few words to our elders. Pictured above is Avallon

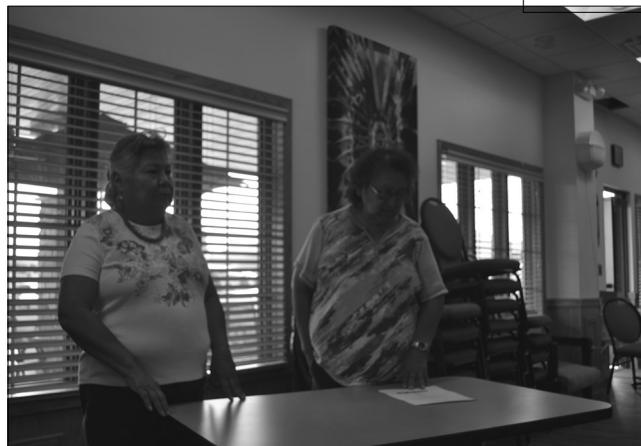

Hale, one of the members who spoke to the elders. While others shared with our elders as well. Connie Fox Twins from Stillwater, Oklahoma shared a healing song with our elders and shared she will be turning sixty five in January.

Board member Mary Gachpin shared how she was brought up like many of the elders. She also remembered how much respect we had back then.

Sisters; Helen Baker and Ethel Reeves enjoy their meal.

Joan Young Bird also spoke as she stands besides Mavis Young Bear, Director of the Mandaree Elders Program in the West Segment community.

To your left is; Connie Twins & Wanda Sheppard, and on the right is Tillie Lone Fight.

Mildred Rough & Gloria Lone Fight. Sadie Mann and Ina Mae Driver pictured to your left enjoying their meal.

Mandaree Elders Deadwood Bound

Elder Bill Reeves is pretty settled in for the trip as he looks at others on the bus. They were all awaiting departure for their trip to the casinos in Deadwood, South Dakota. Elders will be returning back to Mandaree by Thursday. They are all lucky they don't have to drive the trip, they have a driver and monies furnished to them by our Councilman Phelan to spend and to have a great time.

Pictured above is Harlow's bus service that was parked in front of the Mandaree Elders building as elders boarded to leave on their trip to Deadwood, South Dakota. Our elders were full of smiles when I stepped into the bus to take this picture. They are all looking forward to having a great time in Deadwood, South Dakota. They had their choice of what spot to sit in on the bus and some were ready to watch a movie as they get ready for their trip. Good luck to the elders who are all going to Deadwood to gamble and see the sights. The elders are always looking forward to this trip it's a time to get away from our rural community and have some fun.

Front of the bus that our elders will be traveling in. They are traveling in style to South Dakota.

5th North Dakota Conference on Injury Prevention and Control "Bringing the Pieces Together"

Radisson Hotel – Bismarck, ND
August 10-11, 2016

The brochure and registration for the North Dakota Conference on Injury Prevention and Control are now available. Conference information can be found at

http://www.ndhealth.gov/injury/2016_Conference.htm

Click Here to register online. We are now able to accept credit cards. Registrations must be received before July 27, 2016 to avoid late fees.

Two FREE preconference sessions, safeTalk (suicide prevention) and Kids do the Darndest Things (EMS pediatric education), will be held on August 9, 1:00 - 4:00 pm.

Please forward this email to people on your coalitions, task forces, or other interested parties that may want to attend the conference.

If you have any questions or need further information please contact Missy Kopp (missykopp@nd.gov).

Notice From The West Segment Maintenance Department

On behalf of the West Segment Maintenance Department we would like to inform everyone that we will only deliver water on the weekend for **EMERGENCIES ONLY**. The water delivered is for human consumption only and **NO LIVESTOCK**.

The West Segment Maintenance will help everyone with the following:

- **Wake and funerals**
- **Junk car removal**
- **Wash out crossing culverts**
- **Cattle guard cleaning**

Community members who need water for their homes may contact the on call employees who are Vincent Hunts Along and Curtis Hall for water for your homes.

We have listed for your convenience the phone numbers for our Maintenance crew:

Dan Hunts Along: (701) 421-2992

Vincent Hunts Along: (701) 421-3576

Curtis Hall: (701) 290-1267

Our receptionist is Amanda McKenzie and she can be reached at (701) 421-2288

Our office is located behind the Water Chief Hall inside the garage, so if you need to see one the employees this is where you will find them. For your information in case you call our office and no one answers the phone, than we are out in the field helping our community members. You can leave a message with the Maintenance Receptionist: Amanda McKenzie.

We just got our phones in so here is our phone number for the Maintenance Department: 759-3766 and our Fax number is: 759-3768.

TAT Head Start Program

The Three Affiliated Head Start Program would like to announce their 2016-2017 Round Up Event for Returning and new students. We will be recruiting students whose birthday falls between August 1, 2011 and August 25, 2013. **This event is open to ALL CHILDREN between the ages of 2 1/2 to 5 years of age and is not restricted to any tribal affiliation or ethnicity.**

Parents need to bring proof of birth, income verification, and immunization records in the event that any immunizations were given out of the state of North Dakota. Please note that custodial parents/guardians must be present for medical liability reasons.

The Round Up will include the following services: Physicals, Immunizations, screenings for dental, and diabetes as well as services and information from other programs that involve children.

The event will be scheduled from 9am to 3pm for all communities. Families are encouraged to attend whichever location and date that suits them best and are not limited to their home segment. The scheduled days are as follows:

- **Monday, July 18:** Mandaree Center at the Mandaree Field Clinic
- **Monday & Tuesday July 25th & 26th:** New Town Center at New Town Head Start Center building.

Food and drinks will be provided and incentives will be given to families that complete the application process and are qualified for Head Start Enrollment. We can currently service 163 children for the 2016-2017 school year. Returning students will be given priority placement upon completion of application process. **PLEASE NOTE THAT RETURNING STUDENTS ARE REQUIRED TO COMPLETE THE APPLICATION PROCESS BEFORE CLASS PLACEMENT AND PRIORITIZATION.** If you have any questions, please contact the Central Head Start Office at (701) 627.4820 ext. 207. Nicole Thomas, Health Manager, TAT Head Start.

Email: jbmeyer@nd.gov

A Baby's First Test-The Answers Might Save A Life

The North Dakota Department of Health (NDDOH) is pleased to announce that July 1 marked an important step in saving the lives of babies born in North Dakota. The state newborn screening program expanded their newborn screening panel to include a disorder called Severe Combined Immune Deficiency (SCID).

SCID, also known as "Bubble Boy Syndrome" is a rare, but serious primary deficiency characterized by lack of a functioning immune system. Newborns with SCID often appear healthy at birth, but are at increased risk to develop infections that may become severe. If not identified early through newborn screening, babies with SCID often die by age 1. "Early detection and treatment saves lives and improves outcomes for SCID and all disorders included on the newborn screening panel," said Joyal Meyer, Newborn Screening Program Director.

Treatment for SCID includes a bone marrow transplant, which is often done with the first few months of life. "The five-year survival rate for infants diagnosed with SCID who receive treatment by three and a half months of age is approximately 94 percent," according to Dr. Chris Cleveland, Pediatric Immunologist at Sanford Health in Fargo and SCID Medical Consultant for NDDOH.

Newborn screening is done by taking a few drops of blood from a baby's heel 24 to 48 hours after birth. The blood is tested for 51 rare, but serious disorders. All of the disorders screened for can be treated, and most babies, if identified early, can grow up to be healthy with normal development.

The newborn screening program recently partnered with families to develop videos to help educate the public on the importance of testing. The main video can be found at <http://youtu.be/weJAz9074Cw>

For more information, contact Joyal Meyer, North Dakota Department of Health, at 701.328.2493.

Construction begins July 18 on a rail crossing project on ND Highway 23 West of Makoti

A railroad project to upgrade a highway crossing on ND Highway 23. The crossing at Highway 23 will be temporary closed during the project and motorists will need to take an alternative route. The project is expected to be complete by approximately July 22. Detour signing will be in place.

Detour Route during the project:

- **Westbound traffic will drive south on ND Hwy 28 through Ryder, to the junction of 37, then west and north to Parshall.**
- **Eastbound traffic will go south on Highway 37 at Parshall to ND Hwy 28 up through Ryder.**

Motorists should be aware of another major construction project on ND Hwy 23 is underway from the Jct. Of ND Hwy 28 near Ryder east to the Jct. of ND Hwy 83. Roadway is open to traffic and an alternative route is signed.

For more information about construction projects and road conditions throughout North Dakota, call 511 from any type of phone or visit the Travel Information Map on the NDDOT website at <http://www.dot.nd.gov/travel-info>

Obituary

Remembering The Life Of Rita Hawk "Et-Tsa-Nee-Dish" (All Walks)

Rita Hawk, 101, of Watford City,
North Dakota, passed away

Monday, June 20, 2016 at the Good Sheppard Nursing home in Watford City, North Dakota.

Her funeral arrangements are with Fulkerson Stevenson Funeral Home in Watford City.

Rita Black Hawk (All Walks) "Et-Tsa-Nee-Dish" left our world at the age of 101 years old, to be in the hands of our Lord on the morning of June 20th, 2016 at the Good Sheppard Nursing Home in Watford City, North Dakota.

Rita was born to George Black Hawk (Water Buster Clan) and Addie Huber (Prairie Chicken Clan) on November 9, 1914 in Elbowoods, North Dakota.

Rita lived a long and healthy life, and also served in the Women's Army Corp, during the World War II. Soon after she requested an emergency family hardship and returned home.

She and her sister Gerri moved to Minneapolis, Minnesota; where she worked as a Secretary. She later moved to Bismarck, North Dakota and found employment. She had a great work ethic.

Rita had retired and moved to Twin Buttes where she was closer to family.

Rita was a very family oriented woman and always made sure she made

an appearance to any and all family gatherings.

Rita was a traditional woman, she was very religious and dedicated to God and the Catholic Church. Her hobbies were sewing star quilts, attending the local pow wows, and rode horses during her youth.

Rita's last wish was to donate her body to Science, hoping it will be of use to the studies of the University of North Dakota's Science Department.

Et-Tsa Nee-Dish enjoyed the Hidatsa Tradition (s) and spoke fluent Hidatsa and some of the Mandan Language.

She considered her brother's and sister's families as her families, per tradition.

Funeral arrangements were made according to Rita's wishes.

Rita is survived by her numerous Nieces, Nephews and their families.

Preceding her in death; Parents, Grandparents, brothers; John Stone Sr., Kingdom Black Hawk, Frederick Black Hawk, Sisters; Louise Finley, Maria Lincoln, Catherine Fredericks, Geraldine Black Hawk-Van Dyke along with numerous nieces and nephews.

Obituary

Remembering The Life Of Joyce Chase Rave, "Yellow Mink"

Joyce Chase Rave, 75 died at 7:35 a.m. on June 28, 2016 at Vibra Hospital in Mandan, North Dakota. She was born in Elbowoods. She is the daughter of Emmerine and Bernard Chase Sr.

Joyce grew up as an only daughter who was cherished by her family. Her mother's love was expressed in the many hours she spent creating a red beaded buckskin dress for Joyce, a dress Joyce cherished all her life. It represents love, sacrifice, respect

and honor for a daughter. Joyce knew the significance of this traditional gift and the responsibility that came with it.

Joyce and her five brothers all of them military veterans were raised in a traditional home. Joyce belonged to the Prairie Chicken Clan and was a child of the Knife Clan.

When you are raised in a loving and respectful environment you are prepared to be a responsible adult. Joyce's adventure into the adult world was filled with success. She was self-sufficient, willing to try new experiences, and her work ethic allowed her to advance in her career. Joyce studied business administration skills at Haskell in Lawrence, Kansas. She also taught computer courses at the Los Angeles Indian Center. When she lived in Cleveland, Ohio, she worked for Continental Railway. She worked for IBM, Coldwell Banker and the 1984 U.S. Olympics and at the Letterman's Army Hospital at the Presidio in San Francisco.

Joyce and Carlin's relationship had been rooted in devotion and love for each other. They were together for more than 40 years and their love touched the hearts of many friends and relatives. In 1984, they left California and returned to Fort Berthold to care for her father.

Together Joyce and Carlin took on life's challenges and overcame many hardships. Joyce's health ailments would have overwhelmed other couples, but not them. They stood strong and resolved to overcome each crisis. They kept the other going when one might be too tired and weak to carry on alone.

She and Carlin raised their nephew Percy "Beau" Chase. The birth of grandchildren was always cause for celebration. Her most recent grandchild, Amina Carle Chase, brought her much joy. Joyce and Carlin also shared the love of three other children; Tiffany, Jodi, and Carl from Carlin's previous marriage.

Joyce had a strong connection to the land and cherished all animals. She especially loved horses and grew up riding them in Red Butte and Mandaree. In her later years she had two faithful pets by her side. Most people who knew Joyce remember her cat and dog, Z and Lovey.

Joyce grew up in a large family, all her relatives called her "Sister". She has taught the next generation the concept of unconditional family love. The grandchildren will carry on these times honored cultural values and kinships.

As a sister-in-law, she was greatly respected for how deeply she cared for Carlin. She was full of grace and honor for his family. Joyce was a faithful Catholic woman who believed in the power of prayer. She appreciated the prayers for her and believed prayer helped her live a full life. She convinced Carlin to convert to the Catholic faith so they could share their faith in harmony.

Joyce tried to prepare family members for her passing and she wanted them to continue on their journey standing strong and walking together remembering her love and devotion to them. She will be remembered for her great strength in the face of failing health. She proved to be an extremely tough woman and always stayed strong in spirit even as her body weakened.

In her lifetime, Joyce buried four of her brothers; Warren, Wally, Leroy and Bernard "Sonny" Chase. At the end of her life, it was just Joyce and Gary.

She loved her brother and was appreciative for all that he did to help her through the years. Gary has proved to be the big brother who looked after his little sister to the very end.

We all have memories of the good times spent with Joyce. We will all remember her laughter and carry her love forward.

Joyce is survived by her husband Carlin Rave Sr.; nephew Percy "Beau" Chase (Natasha); son, Carlin Rave Jr., (Dariel); daughters; Jodi Rave Spotted Bear (Frankie); Tiffany Rave (Omar); brother, Gary Chase (Inichin).

She was preceded in death by; Parents, Emmerine and Bernard Chase Sr., brothers; Bernard "Sonny" Chase Jr., Warren Chase, Wallace "Wally" Chase and Leroy Chase.

Obituary

Remembering The Life Of

Aaron Anthony Hale. "Swift
Eagle"

Aaron Anthony Hale, "Swift Eagle"

age 50, of Elizabeth, Pennsylvania

died June 11, 2016.

He was born on August 15, 1965 and is the son of Lydia Moore Hale of New Town, North Dakota and the late Edward O. Hale.

He was a cook for Mike's Pizza in Elizabeth, Pennsylvania and a concrete worker for Wilhelm's in Elizabeth.

Along with his mother he is survived by his wife, Diane Domer Hale, children; Julian Anthony (Debbie) Hale and Shalya Rae Hale all of Pgh., sisters; Kim (the late Frank) Pulli of Palm Harbor of Florida, Leslie (Michael) Hammerberg of Stanley, North Dakota., Jody (Robert) Briek of New Town, North Dakota, Faith (Ken) Wright of Amherstburg, Ontario, and brothers; Alma "Bo" (Carol) Hale of Dravosburg and Edward (Virginia) Hale

of Elizabeth, Pennsylvania. He is also survived by grandchildren, nieces, nephews, great nieces, nephews and aunts and uncles.

In addition to his father he was preceded in death by his brothers; Frederick, Keith and step father Timothy Hale.

A Celebration of Life will be held on Monday, June 13, 2016 at 6:00 p.m. at Strifflers of Dravosburg/West Mifflin, 740 Pgh.-Mckeesport Blvd., Dravosburg, 15034 (412 678 6192)

His nephew, Pastor Phillip Fox, will officiate. Immediately following the Celebration of Life will be gathering of friends and family from 7:00 p.m. until 10:00 p.m. on Monday,

Condolences may be made at www.strifflerfuneralhomes.com

Our Brother Aaron was a proud man. In the time we spent with him and his wife, he requested to be cremated and for us not to have pallbearers so we followed his last wishes.

From the family.

Use With Adult Supervision!

During this time of the year, most of our efforts are focused on our families, fun and of course fireworks.

For the most part, planned events go off without a hitch, people are fed, games are played. Then, the anticipation of the fireworks display begins to build and build and build, (it takes forever to get dark!!).

Meanwhile, amidst the varied pieces and components of the fireworks, a printed label goes unnoticed. "WARNING!" the label reads, "**USE WITH ADULT SUPERVISION!**" There of course, a certain amount of bodily harm that could occur if the fireworks are not handled properly. That is the intent of the fireworks warning label to make you aware.

There are many other items that bear their own 'warning' label. Like the fireworks "warning" label, are to make you aware of what could happen if the item is handled improperly.

One of the most unnoticed 'warning' labels we have to date is this one "**BIBLE!**" And like the other 'warning' labels, it makes us aware of the possible bodily harm if it is handled improperly.

Maybe you know this, maybe you do not, but the acronym for "**BIBLE**" is this; "**Basic Instructions Before Leaving Earth**".

According to this 'warning' label these basic instructions really do need to be used with adult supervision. If not handled properly or

correctly, it could lead to serious bodily harm. The type of bodily harm that a band aid or a few stiches could not fix. The type of bodily harm that could last an eternity.

Let's face it simply put, the words of the **BIBLE** are instructions on how to love. Love for God the Father, God the Son, and God the Spirit. Instructions that explain to us the advantages of loving our neighbor as our self, of helping the less fortunate of God ahead of everything, including our selves.

In doing this, gain eternal life together with God the Father, God the Son, and God the spirit. It can be difficult at times to understand the "whys" and "why nots" of Bible instruction. That is where the "adult supervision" comes in.

The Church has the adult supervision to help those understand how to properly handle the instructions in the bible as they pertain to each individual. So that the majority of questions may be answered.

It does take serious effort no doubt, but at least there is no fuse to light.

Deacon Dan Barone

A SPECIAL THANK YOU to sponsors listed below

Our Deepest Sympathy & Prayers to the Family and relatives of Joyce Chase Rave, Rita Hawk and Aaron Anthony Hale on the loss of their beloved ones. May our Creator God, be with each and everyone of you with comfort and love as you go through this sorrowful time.

From the West Segment Representative & Staff

Hello, my name is Elizabeth YellowBird and I work for a new program called the MHA Education Pipeline. We provide academic advising, scholarship information, FAFSA help and other education related support. Even if you are already enrolled in college and have an advisor and your academic program in place. I may be able to help you. I have over 30 years of experience working with students and would like to offer my help with any academic, educational or scholarship service. Part of my academic advising is completing an educational care plan that will list all of your courses you need each semester until graduation.

If you would like my help and support please don't hesitate to call, email or text me. Also, if you have relatives who are in high school, at another college or a vocational college I will be happy to help them also. My contact information is: Office cell phone: 701.317.6524. Email: Elizabeth.yellowbird@und.edu

Location: MHA Tribal office building, across from Eagles Landing C-Store.

MHA Nation TAT Vice President Randy Phelan and his son Jude in regalia as the family sponsored a Men's Grass Dance Special.

wishing you
everything
HAPPY
for your
birthday!

BIRTHDAYS
THIS MONTH

Tillie Walker

Laverne Fettig

Elmer Fredericks

Tillie Lone Fight

Martha Bird Bear

Paige Baker Jr.

Joan Young Bird

* Please forgive us if we forgot to mention your name it was not done intentionally. If you have a family member who is an elder and has a birthday coming up, please call 759-3377 & ask for Nina she will make sure we have their name down, or those turning 60. Your help is greatly appreciated.
