2016-2016 YOUTH HUNTING SEASONS

Youth Deer Season

September 16-25, 2016

Individuals age 14 and 15 who have either not previously applied for a Deer license or who have applied but have never received a Deer license are eligible to receive one Deer license valid for the Youth Deer season.

If a 14 or 15 year old is unsuccessful in harvesting a deer during the Youth Deer season, the license will also be valid during the regular Deer season. Anyone applying for these licenses is not eligible to apply for a license for the regular Deer seasons.

All firearms and archery equipment allowed during the regular Deer seasons are legal during the youth Deer season. In addition, each youth licensee must be accompanied by at least one unarmed parent, guardian or adult authorized by their parent or guardian during the September Youth Deer Season. (A licensed hunter in the field during the Youth Deer season cannot be accompanied by a person carrying a firearm or bow and arrow, unless that person is another licensed youth season hunter.)

All Youth Deer hunters are subject to the same rules, regulations and fines within the regular 2016 Deer Gun Proclamation, 2016 Deer Bow Proclamation and the Chapter 18 Game, Fish and Recreation Code of the Three Affiliated Tribes.
