Cowboying and Going To Rodeos Is a Way Of Life For Casey & Jimmie Stone

Here is the saddle Casey recently won from the United Professional Rodeo

Their father was the IRA World Champion Bull Dogger in 1977 so both these young men grew up with the best teacher, their father Jimmie Stone Sr. also known as (Stoney). Who taught them skills and knowledge of horses and rodeos their mother Rosie Johnson also comes from a rodeo family, she provided the best support for both of their sons. Having the support and teachings of both their parents helped shape the lives of these young cowboys. Both of their sons have excelled in making a name for themselves in the rodeo arena. As they were growing up especially Casey, who spent many years in the practice pen, teaching and training horses. Casey has hit the hard dirt more times that ever and has traveled and hauled his horses thousands of miles. Which has all paid off for him, he won his first horse trailer two months ago in October, 2020. Casey won two world titles in the INFR in 2010 and 2015. Since then, he has won many titles, trophy buckles and trophy saddles too many to count. When Casey travels he participates in bull dogging, and tie down calf roping and team roping.

His brother Little Jimmie also known as Bubba was in the Lone Star High School Rodeo Association for 3 years. In 1998, he was the State Champion steer wrestler in Abilene, Texas, which is the biggest Rodeo Association in Texas. In 2012, he was a finalist in bull dogging at the INFR. He was on the top 15 for a long time with United Professional Rodeo Association. Bubba was in the finals of the CWRA Cowboys Rodeo Association. He was won many trophy saddles in bull dogging as well. Today, unfortunately due to his health issues, Bubba only participates in the team roping events. There are people who have encouraged and supported Casey, his biggest supporter is his mother Rosie Johnson, who is so proud of her sons. To his dad and his brother, bubba who take care of his horses while he travels. To the MHA Nation for their support. Casey and his family are very grateful and appreciate the support. To all the young cowboys...DREAM BIG AND GO FOR IT!!! In the words of bubba. Casey and Bubba are enrolled members of the MHA Nation and they both reside in Oklahoma.

Pictured is Little Jimmie also known as Bubba.

Councilwoman Turner-Lone Fight Update

Before I begin this months update, I would like to extend my deepest condolences to all the families and relatives who have recently lost their beloved ones. This past year has been very hard on everyone, when we live in a community where we are all know each other its hard to see our family and relatives go through a hard time. I do hope you are all keeping safe and wearing your masks and following our tribal Covid-19 guidelines.

With that in mind, since the last update, I have taken the time to go around the community checking various situations out and like I mentioned, I will be honest with you all. Most importantly, our own housing here is in dire need of repairs we are working on those at this time, we also have water issues that we have been fixing along with rural water with septic tanks and drainage problems. The duplex's down by the Black Eagle Estates are far from being complete, at this time we are trying to save them from rotting which will cause more damages to the homes. At the White Oak trailer homes the water has been repaired and the rent has been reduced. I am currently working with Shanna Fox on the Black Eagle homes.

The roads department has been out restoring the out of town roads and completing new homesite road requests. We have contracted two certified plumbers within our community who have been very busy with all the plumbing issues. Presently, we have three carpenters working in the community to repair all these building issues including the duplexes. The old community center is also under construction, we will be utilizing this for our rehab. This center is called CARE this is up and providing services to those persons in need and are conducting meetings. This program is in the infant stages now and I hope to see great things with this new CARE center for our community. We are losing too many people to this outrage drug addiction problem. We have a curfew for our community which is from 10pm to 7am, I ask each of you to please be in your home before this time. Chairman Fox and the council will be in the near future fining persons who are not following the COVID-19 guidelines.

West Segment is still in the process of collecting their tribal vehicles from the previous administration from employees. If you have one of these vehicles a stop and hold was issued on Monday the 14th of December, 2020.

TBC Meetings: Things are looking up for our West Segment, during the TBC meeting on Dec. 10th Chairman Fox and the TBC agreed to help out West Segment with funds for us to take care of the structures that are dilapidated and projects that were left unfinished. To save on funds we have given back the care of the Tribal Ranch to the TAT. In a recent visit with Chairman Fox about WSRC, he stated to me that WSRC would stay in the Mandaree community but would not fall under the umbrella of DOT & or Energy. Called DOT Satellite Station located in Mandaree and our equipment and personnel would be utilized here in our community. All the problems and majority of the oil field activity are here in West Segment will give them more power to stop truck traffic and other mis-happenings here in West Segment. As you have been told in the previous West Segment News, we are 20 million plus in debt with that said we have been utilizing our funds effectively. So West Segment can continue to serve our people and our needs.

Events:

For our Christmas plans this year, EnerPlus will provide gift baskets to households. West Segment will be giving out \$75.00 dollar gift cards. Christmas meal and toys for the children and teenagers. West Segment will have a gift exchange within the departments. Lorraine Howe has done a tree lighting ceremony to reembrace her late husband Sargent Mike Howe's Memory. The community is going to have a walk-in remembrance of community members who have passed on into the Spirit World. At dusk there will be a community parade of lights all West Segment departments are required to participate. Prizes will be given to community participates. All this will be on December 23, 2020 walk starts at 3:00pm and the parade at 6pm. The Spiritual walk-ride will be held on December 29, 2020 at 10:00 AM (CST) Junction of 14 & 17 (By Ethan's Hall's) Southeast of Mandaree. (See poster on page 28 for more details).

No Social gatherings:

A Message From The West Segment Transportation Department

Even though the snow isn't quite here yet remember we live in North Dakota we are all aware of how fast our weather changes. With that in mind winter weather will be upon us soon, we need your help in maintaining streets and lots in our community.

Please help keep the streets clear of parked, stalled and/or abandoned vehicles so we can plow the snow away and de-ice them.

If anyone needs help moving a car, pickup truck or anything that's in the way of a plow. Please call 759-3766 or 421-7097.

Transportation list of Services for Community Members:

- Road repairs such as filling pot holes
- Snow removal
- Towing and assistance with vehicles
- Sand salt icy roads
- Vehicle removal
- Water delivery (rural routes)
- Removal of debris such as animal carcasses, tires, glass, trash on highways and roads. We offer other assistance in the Spring. Our phone number is listed here 759-3766

Crestwood Midstream Partners Donate Thanksgiving Turkeys to West Segment Community Members

Photo LeAnna Nation

Crestwood Midstream Partners and Councilwoman Turner-Lone Fight and West Segment crew all stand together in front of the Water Chief Hall getting ready to hand out turkeys from Crestwood and \$50 dollar gift cards from Councilwoman Turner-Lone Fight. Pictured left to right; Daubs Thompson, Fred Everett, Adam Gonzales, Dean Volesky, Councilwoman Turner-Lone Fight, Rhonda Hall, Jody Lucier, Vernon Ryan, Nicholas Schaefer, Ben Palczewski who isn't pictured.

During the month of November here in North Dakota we usually have a lot of snow on the ground this year there wasn't any snow.

Just before the Thanksgiving Holiday set in all members of the West Segment community received a turkey donated from Crestwood Midstream Partners they gave out 247 turkeys to our community members.

Councilwoman Turner-Lone Fight donated a fifty dollar gift card from Kenbecks in New Town to all community members so they can purchase all their fixings to go with their Thanksgiving dinner. Community members also received their first issue of the West Segment News.

Due to Covid-19 many things have changed for our community members who are used to big family gatherings is now passed. Today our community members have to stay home and share their Thanksgiving feast in smaller numbers. We have to take precautions wear masks and wash our hands.

These generous donations make us all feel we are cared for and people think about us. Our thanks to Crestwood Midstream Partners and Councilwoman Turner-Lone Fight for their generous donations to our community.

Daubs Thompson from Crestwood Midstream Partners hands one of our West Segment community members, Doreen Charging her Thanksgiving turkey at the Water Chief Hall in Mandaree.

Here is Thompson again handing community member Verna Lone Bear her Thanksgiving turkey.

Mandaree C.A.R.E. Program

Greetings from the desk of the Mandaree C.A.R.E. Director:

My name is Vivian Hall and I greet you all with a humble heart today and I ask you for forgiveness from my people if I say or misrepresent anything in a way that offends anyone.

Councilwoman Sherry Turner-Lone Fight called on me to be the Director and assigned me a team of four amazing individuals who are in different stages of recovery.

We will be wearing many hats in this organization and we will all be recovery coaches. The Programs Manager is Kyle Mandan, the Program's Coordinator is Sydney Hunts Along, the Health and Wellness Coordinator is Kayla McKenzie and Lynn Marvel is our C.A.R.E. Advocate.

Mandaree C.A.R.E. Recovery Center is set to open their doors soon in 2021. C.A.R.E. is the acronym for "*Compassion, Acceptance, Respect and Empowerment*". This recovery center is unique and the first one of it's kind.

Mandaree C.A.R.E. will come together in four phases as of right now we are in Phase I. Phase I consists of getting our building ready, training our team, and preparing for phase II. Phase II will be building a client base for those in recovery or seeking recovery and providing services and Phases III and IV will be building more resources and finding out what is effective and what isn't.

Mandaree C.A.R.E. is a support for those in recovery or wanting to recover from any addiction but mainly focusing on alcohol and drugs. We plan to offer a variety of resources to the community for support in recovery. Our belief is when one person is sick the whole family is sick and when our community members are neighbors who are living next to the sick family it affects the whole neighborhood. C.A.R.E. wants to be a support system for the Mandaree Community. Our main focus is helping the addicts and alcoholics who are suffering with their families. Through this healing process we believe that we will have safe and healthy neighborhoods.

Some of the resources we will be offering are; community sweats and recovery sweats, exercise classes and healthy living classes, walking groups, community weight loss challenges, 12 step meetings for a variety of addictions, and 12 step meetings for family members and their children, Holistic healing, equine therapy and advocacy for the clients in the C.A.R.E. Program will be opening the Mandaree Healing Rooms for anyone requesting or needing prayers.

The process is simple, to use our services you must have a desire to stop drinking and/or using drugs and alcohol. We are here to assist those seeking treatment and those coming out of treatment, we also are here to assist those who are incarcerated and coming home to help them re enter society. It is our hope to build partnerships with various tribal entities to make our resources flow smoothly.

The intake process should take 15 to 30 minutes, if you are accepted into the Mandaree C.A.R.E and agree to the conditions of the program, you will then be led by your recovery coach to plan and build your program of recovery and utilize our resources. The family is strongly urged to participate in this process, as well and whoever the client lists on their application as support will be required to fill out a short form and can begin receiving services with their loved one.

During this COVID pandemic we will be using all the precautions necessary to ensure the safety of everyone working or volunteering and our clients and families. We will be utilizing Facebook with PSA's, the West Segment News, PSA's on KMHA to spread the word and let people know of upcoming events.

We tentatively plan to open for services in March 2021 and no later than May 2021. Our email is caremandaree@yahoo.com. So if you have any questions please email us and one of our staff will respond. Our offices are located inside the old community center the building used to be the old MEC Building. We look forward to serving our community. Our phone number is 759-3089.

Little Missouri Fire Burns 20 Acres

Photos by Marle Baker

Who would ever think that in the month of December that our Mandaree Fire Department would be outdoors containing a fire. This particular wildfire is down by the Little Missouri.

Pictured above is flames burning the landscape out by the Little Missouri.

According to Baker he stated this fire started

from a burning coal seams and took approximately 20 acres. The Mandaree Volunteer Fire Department and TAT Fire responded and it is contained.

Baker states; we will be working it again to ensure it is out. The Mandaree Fire Department would like to express their sincere gratitude to the Volunteers who responded. It would have been much harder to fight without them. Our TAT Fire Crew also worked very hard and worked efficiently and safely.

On behalf of the West Segment News we would like to thank Marle Baker for the pictures he provided and his information, and also thank him and his volunteers for their outstanding work. Thank goodness for fire fighters they are always willing and ready to serve and protect our community.

Mandaree Emergency Response Center is Moving right Along

Caption & Photos by Marle Baker

This center will enable Mandaree EMS and the Mandaree Fire Department to not only continue serving our community but expand our capability and efficiency. Sure hope we can keep our momentum!

When you live in a rural area or out in the country and have an emergency, the nearest towns are 37 to 40 miles away depending on where the emergency occurs. The Mandaree Emergency Response Center is heaven sent to us as community members. We no longer have to wait for an hour to 45 minutes for an ambulance nor do we have to wait for a fire truck to come to our aid when we need them. We will have them right here in our community. Bless the fire fighters and volunteers, the EMS and volunteers for being here. Kudos to the people who worked hard for us to have this much needed Emergency Response Center.

Human Hope or Divine Hope

In these times when we are required to wear masks, social distance, go to school online, etc., a lot of people respond to these requirements in different ways. Some people stay positive and optimistic and remain hopeful while others become negative and pessimistic and spiral into despair. No one really wants the pain experienced by this last group. Hope is the key that prevents us from spiraling into despair; Hope helps us from becoming negative and pessimistic. Hope will not eliminate all pain, however it gives us the stamina to endure it, the courage to learn from it and the miraculous power, when united with Jesus, to turn something ugly (like the crucifixion) into something beautiful. The general definition of hope, according to the Catholic Bible Dictionary written by Dr. Scott Hahn, is "the confident expectation of some desired good. Hope entails...[that] we must act to bring about what is desired... "and we understand that"...what is desired will not necessarily be attained easily or readily." (*Article titled Hope*). When the future "desired good" comes from human beings such as a vaccine for Covid, more assistance from the government, better economic times, extensions of our rent payments etc., this is called human or natural hope. We actively search for people who can satisfy this hope. Achieving this "desired good" depends on our willpower and the strength of our determination to make it happen. And when this "desired good" is obtained, natural hope fades away and we begin a new search for something else to hope for~ a nicer car, a larger house, easier job with higher wages, more leisure, etc., and it will never end. Every ad in media preys on this natural hope. We will never be fully satisfied. On the other hand, when the future "desired good" comes from God such as interior peace, heaven and the means to reach heaven, it is called divine or supernatural hope. This "desired good" will fully satisfy us. However, we cannot rely on our own strength to achieve it nor will it be "attained easily or readily." This "desired good" can only be obtained through grace freely given to us by God's ~grace to achieve it, grace to trust that God will give us this grace and the grace of confidence that God will take us to heaven. And the only way to receive these graces is to humbly and faithfully cooperate with God by using these graces. Supernatural hope seems complicated, but it is rather simple. All the tools (grace) are available anytime and everywhere. Cooperation means use them, that is, make little acts (prayers) of hope~"I trust you Jesus." "I believe you Jesus" "I love you Jesus" I place all my hope in you Jesus." When you find yourself becoming tired of wearing masks or waiting for that vaccine, make an act of hope~"Jesus, I am fully confident that you will give me what I need get through this. Continue next column

When you find yourself discouraged because you feel trapped, make an act of hope~"Jesus, I am absolutely convinced you will lead me to the freedom waiting for me in heaven."

If you consistently and frequently make little acts of hope throughout any trial or tribulation life throws at you, you will remain positive and optimistic and hopeful. In fact, you will be surprised at what you learn and how something difficult and ugly can become beautiful. This is how God works. This is really

what our hearts yearn for, so during this Advent Season, a Season that promotes divine hope, practice making little acts of hope throughout your day. If you are able to make this practice a habit, don't be surprised what Jesus will do through you.

On behalf of the West Segment News we would like to take a moment to wish each of you a Very Merry Christmas and a Happy New Year! 2020 has been a long hard year for everyone. It was the year for masks and social distancing. It was very difficult for some of us who can't see our family members who live out of state. We hope and pray this new year will be better and safe for all of us so we can see our family members. I would also like to acknowledge those who are in mourning, we have lost many good community members this past year. Prayers to those who are in mourning we share your grief, for those that passed on are relatives to all of us. Let us have hope for a happier and better new year! Have a safe and Happy New Year as we approach 2021.

God Bless each and every one of you and your families. Thank you for being a good reader.

Obituary

Doris Jean Fox "Mixes Medicine" Xu'baarii Ma'giasha'heesh, 61 went to be at peace with our Lord, on November 13, 2020. She left this earthly life at Abbott Northwestern Hospital in Minneapolis, MN. Doris Jean Fox "Mixes Medicine" was born to Arthur and Isabelle Smith on March 7, 1959 in Watford City, ND. She attended Mandaree Public School and graduated May 19, 1978. She was an avid basketball player and enjoyed running. Music was her escape through good times and bad, her favorite artist of all time was John Cougar Mellencamp. Doris also loved horses, and that remained throughout her life. Her house in the village is filled with statues and pictures, it made her feel close to home.

After graduating from high school, Doris went on to marry Paul Lee Fox, Sr. "Wolf Howling" and from this union three children were born; Paul "Chaske", Lee Fox Jr. "Comes Singing", Dillon Gabriel Fox "White Horse/Comes Singing", and Shaun Floren Fox "Wolf's Voice". They moved to Bismarck and both attended United Tribes Technical College. After completion they returned to Mandaree, North Dakota. In the mid 90's, Doris and her family moved to Hopkins, MN; where she worked various jobs and was always busy. Her door was always open to friends and family at given moment. Her sons had numerous friends who knew her and took her for their mother. In 2002, Doris and her family moved home to Parshall, ND. She began working for the tribe, she would work various jobs assisting the elderly. She loved visiting and learning the stories from them and learning her traditional Hidatsa language. In 2006, she began her favorite life journey, welcoming her grandchildren, Skylar Jacelyn, Treven Chace and Paxsyn Jett. they were grandma's sidekicks. She loved them all equally, but of the three, the one that never left her side was Paxsyn, whom she affectionately called her "Bucksy". Every time she would go to Minot to see them and prepare to return home, Bucksy would come out to her truck with a backpack saying, "I'm gonna stay with you grandma". When his mom would agree, Bucksy would stay for a few weeks, then his mom would call him home, and he'd get very upset. In 2017, her eldest son Paul "Chaske" Fox Jr., departed this world, she was broken by this but persisted nonetheless. She and Dillon diligently planned and fundraised for his memorials. Throughout her life, she had a hand in raising her nephew Kenneth "Dude" Smith Jr, he would always come and spend summers with her when she lived in Hopkins. She was incredibly proud of him when he joined the Navy, they would talk every day and discuss what they were going to do when he returned from Virginia. When he came home for honoring's, he would stay with her at her home in the village.

Doris was always on the go, always keeping busy. She loved tending to her garden, decorating her home for the holiday season. She loved driving to the Smith Ranch and walking, remembering her childhood fondly. Doris loved to spend her weekends going to garage sales and finding forgotten treasures. She was a diehard Minnesota Vikings fan, fun fact, she never took ice in her drinks, and she REFUSED to eat pork. She could also play a wicked hand of 500.

She was a devout Catholic, always praying the rosary with her sidekick Brenda Smith. She and Brenda would spend hours visiting and laughing, sneaking away to Minot or Bismarck to get out of town. One of her favorite times was when she had all her children under her roof, and she could cook for them. Just spending quality time watching movies or listening to music. She loved just being around all her friends and family.

Her final trip in 2020 was taking her baby Shaun and Bucksy to Long Beach, CA. On the drive back, they checked out Las Vegas and swam in the ocean. They got on the road to beat the fires before the roads started closing. Doris lived a strong and happy life, full of surprises and adventures.

She is survived by her sons, Dillon and Shaun; Adopted son, Jeremiah Hart, Jake Dyer Mills, grandchildren, Skyler, Treven and Paxsyn. Siblings; Kenny, Mike, Patsey, Brenda, Barb, Tote Greyhawk, Leon Old Elk Stewart, Rod and Marcel Isnana, Val Hogan, Claudia McGrady. Nieces and nephew; Willow Smith, Lorne Walking Hawk, Cody Seaboy, Alfred Seaboy, Jared Seaboy, Cedar Jerome, Traycee Walking Hawk, Kenneth (Dude) Smith Jr., Wyatt Smith, Kolby Lonebear-Smith, Tanner Lonebear-Smith, Shane Lonebear-Smith, Coy Lonebear-Smith, Isabelle Tiokasin, Valerie Lone Fight and her numerous grandsons and granddaughters.

She is preceded in death by her husband Paul Fox Sr., Son, Paul Fox Jr., Adopted son, Jeremiah Sage, Parents; Art and Isabelle Smith, Grandparents, Alfred Sam and Gertrude Smith; Grandfather, Arthur Smith; Mother, Doreen Johnson (Sioux Valley, Manitoba Canada) Sisters; Janice Marie and Valerie Joann, Aunt, Leticia Stewart (Crow Agency, Mt); Uncles; Eugene, Neil, and Vernon Smith, Brothers; Ronald J. Smith, Tracy Arthur Smith, Lyle Andrew Walking Hawk; Nephew, Ronald James Smith Jr., Grandson, Jesse Storm Lone Fight and granddaughter, Jade Paul, and her beloved pug Sporty.

Obituary

Kenny, "Falcon" (Garaagshi) was born to Arthur and Isabelle (Goodiron) Smith on June 1, 1963 in Watford City. Kenny attended Mandaree School and graduated in 1982. While attending school Kenny loved to play basketball, run cross-country and participated in the rodeo club, Kenny was part of the group that started the Joe BlackBear Indian Club. Kenny would often mention how him, Smokey, Verdell Smith and Terry Mason would work Art's cattle. They would work for local ranchers helping them out with roundups and fed cattle. After graduating, Kenny did odd jobs; one he reminisced most about, was working with his brother BT in the oil field and drinking frozen coffee. Kenny went to United Tribes College where he studied Auto Mechanics, during this time Kenny and Dana Davenport welcomed Kenny's first born, Kenny Smith Jr., (Dude). Upon returning, from UTTC Kenny took a job at Mandaree School, it was during this time that Kenny and Dude welcomed Harley (Taco) Pace into their life, he became Kenny's other son. Together all three started their pow wow adventures along with Mike, Kenny always talked about these adventures and how his sisters would take the boys so he and Mike could have their adventures such as traveling from Coast to Coast as well as all over Canada. The brothers and dad traveled as "Oakdale" and during these travels Kenny would always say give Mike a map and he'd find the fastest route. They made a lot of powwow relatives and have maintained these special bonds to present day. Kenny enjoyed going to Sundance's with his sisters Janice and Barb. He had fond memories when he lived with his sister Patsey Seaboy and at one time he also lived with his sister Brenda. In 1997, Kenny married the love of his life Sandy Kasto, together they blended their family and Kenny adopted Adrienne as his daughter legally in court. Kenny and Sandy made their home in Mandaree and during this time Kenny became a Police Officer, during this time he made life long brothers as he would call his fellow officers. In 1998, his boss came into the world, his Dowan was born, he wanted to name him after his uncle Vernon so he was named Aaron Vernon Smith. Kenny was so proud of his family, he loved spending time with them and making memories. For Christmas his one gift the kids could count on which turned into a tradition was getting a pair of shoes. They could always count on a new pair for Christmas. Kenny was all about family and keeping his family close together. Kenny was a hard worker and always held a job and worked various places; he took a job at 4 Bears Casino working as a Security Officer. Kenny eventually worked for the Boys and Girl's Club, he truly enjoyed this job as he had a special place in his heart for youth and helping them on their life's journey. Lastly, Kenny took a job working with TAT Security for the MHA Nation and worked there till his passing. During this time he moved his family to Four Bears Village where they made their home. Kenny loved to take his boys hunting and he sure enjoyed all his hunting adventures with Tony IU and Terry Mason plus his Smith brothers. Recently, he was excited about teaching the grandsons how to hunt and ride, it made him so proud. Kenny's greatest role along with being a loving husband and dad was that of being "Papa". Kenny had nicknames for all his nieces, nephews and grandchildren. He loved them all equally and had a bond with each and every one of them, Kenny loved spending time with his family and enjoyed cookouts where there was never ending laughter and always had stories to share. Kenny enjoyed joking and teasing especially his sister in-laws and always telling them to feed him grapes, they sure loved their brother in-law and would come help him anytime. Kenny loved to sing and inherited his dad's voice, he would take the time to learn individual songs and would not refuse when called upon to sing. He loved singing Veterans Songs especially at Little Shell. He always took time to help and teach others who wanted to learn to sing. Kenny made sure a singer always had a spot at the drum, he took great pride in the "Oakdale" drum group as it was his family's treasure. It also brought his heart great joy that his sons and nephews loved to sing, Kenny also sang with many drum groups and was thankful for their invite. Kenny was extremely proud of his children and their accomplishments in life, each held a special spot with him. Kenny was proud that Dowan was learning to sing and getting into his culture. He was proud of Adrienne for being an independent woman and raising her boys on her own. He was proud of Dude for joining the Navy and raising his boys and proud of Taco for the man he is today. Kenny treasured his wife Sandy and they appreciated their moments together, they enjoyed packing lunch and driving around as Kenny would tell stories and sing. They loved praying together and Kenny taught Sandy how to pray the rosary, they enjoyed their time working on their home and watching movies together. Kenny loved going to Kasto Ville as he called it, they all loved him and respected his teachings, he would help them with horses, songs and attending sweats with the family. Kenny was a proud active member of the Black Mouth Society, he called the Black Mouth Society his brothers. Kenny will be missed for always having a smile, a friendly "Dosh" along with his diet Mountain Dew in hand. On Tuesday, November 24 at 2:43 pm Kenny went to the happy hunting grounds where he was greeted by all his relatives and Our Heavenly Father. He broke many hearts that day! The Cowboy rode away....

Obituary

Allan Thomas Demaray Sr., was born in Elbowoods, on June 13, 1949 to Flora Demaray and Bernard Mandan. He was raised by Richard "Dick" Demaray and always called Dick his father. Tom was a member of the Knife Clan and a baby Low Cap. His Indian name was "High Holy Bull" and he was a member of the Veterans Post 271 and Post 9061.

Tom's mother Flora was a traditional Hidatsa woman and would let his Uncle Donald take him for a year or two. His uncle taught him how to sing Hidatsa songs and to dance. Tom didn't learn how to speak English until he went to boarding school in Stephan, South Dakota from the first grade to the third grade. He completed Elementary School in Twin Buttes then went to Halliday for two years and then to Berea, Kentucky.

Tom was an excellent swimmer and declined an offer from the Olympic Swimming team. Tom also excelled in basketball and played for the Wolverines at Halliday. He graduated from Halliday in 1968. After a semester at Mary College Tom enlisted in the Army. While in the Army, Tom married his childhood friend Sue Mundt and together they had two beautiful children, Allan Jr., and Calantha; he adopted Sue's daughter Tara. They were married for about five years and after difficulties in the marriage, he moved home to Twin Buttes.

While at home Tom reconnected with Elizabeth Yellow Bird who he met in College. Tom and Lizz were married for nineteen years and had Bill and Thersa Demaray. Tom was honorably discharged from the Army after serving almost eleven years. Tom and Lizz lived in Grand Forks for about fourteen years, he had various jobs and later moved to Fargo. Tom worked for NDSU, the Fargo Forum and a tire Factory.

During the time in Fargo his spiritual journey began which brought him back home. He began his ceremonies and Sun dancing with Sadie Mann. He was a helper for many other Sundance's and did ceremonies across the United States. For years, he did healing ceremonies at his home for anyone who asked, he never said no.

Meanwhile he worked as a Counselor at the Circle of Life Program and was a Unity Rider for many years. He also worked for the Four Bears Casino and was asked to come back but his family and spirituality kept him home. He loved his children and grandchildren dearly and was always thinking of them.

Tom is survived by his **children**; Louella (Bruce) Dralle, Allan Demaray Jr., Tara Beston (Gary); Calantha (Travis) Kerzman; Bill Demaray; Teresa (Eric) Soles-Moore; Cody Rust, Allen Paul Edwards Jr., Wille Broncheau and Lakeya Nadeau. **His sisters** are Wynona Demaray, Edna Johnson, Fern Bull Head, Valeria Bull Head, Kathy Guardipe, Susan Paulson, Karen Beaver, Jody Brieck, and Shawnee McDonald. Tom's **brothers**; are Victor Mandan, George Mandan-(Deceased), Cedric Mandan, Tom Arthur Mandan; Orville Mandan, Gilson Mandan-(Deceased), Keith Mandan, Mike Mandan-(Deceased); Maynard Demaray, Dickey Demaray, Jack Demaray, Kelly Demaray-(Deceased), Gordon Demaray, Turn Klous; James Wasson; Nephi Three Legs, Tom Three Legs, Burton Tam and Angelo Antonio-(Deceased). John Yellowstone;

Grandchildren: Daahlen Dralle, Awanna Dralle, Keone Dralle, Keoda Dralle; Red Earth, BringsRain, Nahish, White Star, Mia, Raven Tail, She Comes from The River and Amy Bemont; Dylan, Gary Jr., Precious, Abigail, Meliah, Tayden, Raxton, Alya Demaray, Angelina Longie; Sheila White Owl, Mystic Rose Arthur, Night Star and Cheyenne. Allen Paul Soles-Moore, Aurora Soles-Moore; special grand daughter Rylee Mandan, granddaughter of George and Renetta Mandan.

Obituary

Hope Bolman~Fragoza was born in Watford City, ND on September 27, 1954 to the late Theodore & Ruth (Rabbithead) Bolman. She was a member of the Dripping Dirt Clan and a child of the Knife Clan.

Hope was a life member of the Myron B. Johnson Ladies Auxiliary and held various positions while on the Auxiliary. In her early childhood years she attended Wahpeton Indian School. She soon became homesick and returned home to her family where she attended school in Parshall.

She then went on to Flandreau Indian School in her High School years. She received her GED from United Tribes in 1975.

Hope returned to Mandaree and worked as a bus driver and enjoyed her summers working as a flagger on road construction jobs. Hope married Venancio Diaz Fragoza in 1979 and started their family together.

Some of Hope's hobbies were quilting, beading, bingo, gambling and spending time with her children, grandchildren and great-grandchildren. In her later years, she enjoyed going on the West Segment Senior trips with her sister Maxine and spending time together sight seeing the states.

Hope's house was never empty, her door was always open to anyone who needed a place to stay. She loved her children's friends and partners like her own children. She was called Mom and Grandma by all who knew her. She always had a smile on her face and was happy to have visitors.

Hope is preceded in death by her Parents, her husband, Venancio Fragoza, brothers; Theodore (Ted) Jr., Keith, Rex Steve, Thomas; sisters; Gilma, Elaine, Faith; nephews; Blyth, Clint Jr., Thomas; nieces; Lisa, Tisa and Amber.

She is survived by her children; Daisy, Gregorio, Venancio (Marie), Joseph and Elena; Brothers; Hank and Clint and sister Maxine. She is also survived by many nieces, nephews, grandchildren and great grandchildren who loved her dearly and were very special to her.
